## **Matthew Mark Luke You:**

*Matthew, Mark, Luke & You* William J. O'Malley, 1996 This book enables you to read the gospels without a teacher or homilist to do the work for you You've got to come at the sayings and stories as if for the first time Pick them up twist them around look behind them decompact them For yourself Copyright Libri GmbH All rights reserved [The Fifth Gospel](#) Bobby Conway, 2014-08-01 There are five Gospels Matthew Mark Luke John and the Christian But most people never read the first four There are any number of books on how to do evangelism This book is different it's an invitation to actually live out the message of the gospel Jesus's original intention was for ordinary people like you and me to live lives that point others to the only Person who can give them hope for this life as well as the next to visibly display the Good News of salvation through the Messiah and Redeemer of humankind But many Christ followers today are either ridden with guilt for not telling others about Jesus or so silent that no one really knows they're a Christian The Fifth Gospel will help you wrestle with the critical issues involved in living out your faith in front of a watching and sometimes not so friendly world Isn't it time to become a witness for the One you profess to love Prepare yourself to represent your Savior well and to discover a new way to do evangelism Get ready for God to unleash the gospel through you [Matthew Mark Luke John](#) Rick Hoover, 2020-02-12 You have wanted to read through the Bible but it's so big and long Do it with a friend who can point out details you might not notice on your first visit As one reader said Rick offers refreshing new insights into the Scriptures I thought I knew so well The first five books of the New Testament are a kind of Torah 20 The four Gospels and the book of Acts are narrative stories making a good introduction to the life of Jesus and to the historical beginnings of the Christian Church With Rick you'll find a friend both eloquent and observant who with an easy eloquence opens our eyes again and again to things we never would have seen ourselves

**Matthew Mark Luke John Four Gospels One Story** Daniel Ames, 2020-02-21 Matthew Mark Luke and John 4 separate accounts of Messiah Yeshua Christ Jesus interwoven into a single story based entirely upon the 4 Gospels This is a most detailed account of the Life of Yeshua as the 4 Gospels all have information unique to themselves For example Matthew 4 goes from the Temptation after fasting straight to the Sermon on the Mount in chapter 5 leaving out all the details in between such as Peter bowing before Yeshua after overloading his boat with fish and the account of John the Baptist giving his witness of Messiah and let's not forget the gathering of the disciples which takes place before the Sermon on the Mount I personally never noticed these details until the Lord led me to merge the stories and was absolutely blown away how the stories interweave so perfectly Yet I digress knowing that God must have hidden the depth of this vision until now By no means does this replace any of the 4 Gospels I hope that you continue to study them as they are however this is what the life of Yeshua likely looked like based on the information provided in all 4 Gospels this is the interpretation given to me by the Holy Spirit of YHWH Certain Parables can only be found in Matthew like the Sheep and the Goats and some only in Luke such as the Prodigal Son There is a lot of information specific to the Gospel of John and so I am very excited to present

Matthew Mark Luke and John as told in a single flowing account by merging the details together to get the most detailed possible picture This account is like reading Matthew Mark Luke and John all at once without rereading the same stories that are in common and covering the details that are specific While like reading the 4 Gospels back to back it is not as long because you wont reread the same thing 4 different times in some cases but it is much longer than any one of the Gospels because all the details that are unique are interwoven using timing context words time of year etc This was a super complicated task only made possible by the Holy Spirit I am releasing this as a 1st edition because as I read over this for the next few years I will likely catch the things that I am not noticing now slowly improving the storyline until it is perfect For now I am with great love revealing all that I have been shown up till now may it be as much as blessing to you as it as been to me Having combined the 4 Gospels I have a much clearer vision of Messiah Yeshua and his life from birth to ascension You will see Yeshua Jesus in a way you never have before of that much I am sure May the Grace of our Lord Messiah Yeshua be with you all Amen The Copyright is only meant to stop people from stealing and reselling apart from that you can use any part of it for any and every other reason
