

YOUR QUESTIONS, GOD'S ANSWERS

1. How can I find out who I really am?

Young people wonder “Who am I, really?” more often than older people do. Older people often think this is because young people know so much less. I think it is because young people know something *more*—one thing, at least, that older people often forget: that everybody’s real self is a mystery, that once we stop fooling ourselves, we recognize that we don’t know who we really are. The whole human race can learn this one great lesson, at least, from teenagers: to be human is to wonder who you really are.

Lesson One is to know that we don’t know. Socrates, the great ancient Greek philosopher and “the father of philosophy,” was called the wisest man in the world by the Delphic oracle (prophet); and the only way Socrates could interpret that saying was that he was wise only because he alone knew he was *not* wise.

In other words, there are only two kinds of people in this world: the wise, who know they are fools, and fools, who think they are wise. Read more about this in Proverbs 14:33, Isaiah 29:13–14, and 1 Corinthians 1:19–20.

Questions God Asks Us Trevor Hudson, 2020-03-01 Transformation comes from questions not answers We often look to the Bible as the book of answers How often though do we consider the challenging questions God asks Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three The Creator is teaching us as we teach children when they struggle with schoolwork You learn more by doing than being fed an absolute answer In Questions God Asks Us we re encouraged to focus on the quest rather than a resolution Such an approach leads to deeper dialogue and intimacy with the divine This is a critical turning point in our journey with God as it was for the author I thought the Bible existed to give me solutions to my everyday concerns and dilemmas writes Hudson Then I realized I might be approaching God and the Bible from the wrong direction It was as if God said to me Trevor rather than you always asking questions of me start listening to the questions I have for you Each of 10 questions Hudson excerpts from the Old and New Testaments serves as a starting point for genuine conversation with the Creator He assures We re not starting the conversation with God from scratch God has already begun it We just need to plug into the conversation that is already going on Questions God Asks Us offers a fresh approach for personal devotions and a unique discussion tool for small group Bible studies It s sure to bless anyone longing for a meaningful growing relationship with God

Great Questions God Asks Kathy Call, 2017-11-30 The Bible is full of questions asked by God of his people Each of these questions challenge us to struggle with some nagging issue or problem inside us that simply refuses to go away God s great questions probe the deepest issues of our lives questions of identity of adequacy of balance of assurance of mercy of renewal of perspective of ultimate hope of perception As the characters in the Bible of whom these questions were first asked wrestle with their answers we as readers of this book find ourselves wrestling with the same questions in our lives bringing us face to face with ourselves and with God himself

The God Questions Jimmy F. Orr D. Min, 2013-12-04 One of the foundational Christian beliefs is that God has spoken Most of the time in the Bible God makes statements At other times rather than making statements God asks questions And Gods questions provoke serious thought Many people have questions they would love to ask God Many more have questions about God But the most important questions are the ones God is asking us The God Questions explores these and other questions God asked people in the Bible Where are you Whom shall I send and who will go for us Why are you so angry Where have you come from and where are you going Why are you so afraid Why do you call me Lord Lord and do not do what I say Who do you say that I am When the Son of Man comes will he find faith on the earth The questions God asked people of ancient times

are the same questions God is asking us today Discover the questions God is asking you and in doing so find out what God has in mind for your life Living the Questions of the Bible Luke A. Powery,2023-05-16 Living the Questions of the Bible presents questioning as a viable and faithful Christian practice We may think the Bible is only about getting answers but the Bible is also a question book revealing how the life of faith is a quest with and for God By exploring various passages in the Bible this book attempts to invite readers into an interrogative spirituality one in which we learn that even God questions Faith seeks and keeps on seeking It may reach understanding or it may not Either way our questions are a way to live the Christian life honestly faithfully and doxologically Questions About God S. Michael Houdmann,2014-04-25 God welcomes questions The Bible is full of inquisitive characters with good questions From Abrahams inquiry Will not the Judge of all the earth do right to Marys wide eyed How will this be God patiently answers the questions of sincere searching hearts Questions are part of the learning process and a repeated Old Testament command is to seek the Lord Those who inquire of Him are invariably rewarded with His wisdom Jesus gracious promise says Ask and it will be given to you Matthew 7 7 As we open the Bible we begin a quest to know the God who has revealed Himself in its pages What is God like Does God love me Why does He allow bad things to happen The answers to these and many other questions are there in the Bible waiting for us to find them Got Questions Ministries has fielded many questions about God since 2002 One hundred of those questions are compiled in this book along with biblical answers All of these real life questions come from people who want to know the truth about God His nature and His work in the world We hope you will use this volume as an aid to knowing God a little better and loving Him more Notes, questions, and answers on the Church catechism, and Confirmation John Bowes (of Warrington.),1881 *Plain Answers to Religious Questions Modern Men are Asking* Samuel Charles Black,1910
