Ray Hicks:

The Life and Times of Ray Hicks Lynn Salsi, 2008 Renowned storyteller Ray Hicks was a certified national treasure He received many prestigious honors in his lifetime including the National Heritage Fellowship Award from the National Endowment for the Arts Best known for his traditional storytelling and also for saving the original Beech Mountain Jack tales brought to the Appalachian Mountains by his ancestors as early as 1776 Hicks was conscious of the role he played in the preservation of oral storytelling Many of those stories are included in The Life and Times of Ray Hicks Born in 1922 Ray lived his whole life in the Appalachian Mountains of North Carolina Although it finally got a refrigerator and electric lights Ray's place never did get a telephone indoor plumbing or a radio or television It seems he knew everything there was to know about living off the land and about his family's history A lot of what he knew is in this new book Hicks made his public storytelling debut in 1951 when a local schoolteacher invited him to her class In 1973 Ray performed at the very first International Storytelling Festival in Jonesborough Tennessee He appeared at every one until he became too weak to attend He died on Easter Sunday in 2003 Based on hundreds of hours of interviews and visits painstakingly pieced together by Lynn Salsi The Life and Times of Ray Hicks comes as close as possible to capturing the way Ray talked Part memoir and part biography The Life and Times of Ray Hicks presents sometimes in Ray Hicks's own words the most important part of his long colorful life a life scarcely less interesting than the Jack Tales he told so well Lynn Salsi is the author of several books including The Jack Tales and Young Ray Hicks Learns the Jack Tales She has received the American Library Association's Notable Book Award six Willie Parker Peace History Book Awards and was named the North Carolina Historian of the Year in 2001 Ray Hicks Robert Isbell, 2001 Ray Hicks 78 the famous teller of Appalachian Jack Tales is one of America's best loved storytellers In this book he shares a different kind of story a chronicle of his family's experiences in the remote section of the North Carolina mountains where *Content-Area Writing Strategies for Language Arts* Walch Publishing, 2003-02

Performance, Culture, and Identity Elizabeth C. Fine, Jean Haskell, 1992-10-20 This volume is based on the premise that artistic performance is epistemological a way of knowing self culture and other The nine essays in this book based on a broad range of ethnic racial and gender groups share a common interest in exploring how performance reveals shapes and sometimes transforms personal and cultural identity Editors Fine and Speer begin by examining the interdisciplinary roots of performance studies and the role of performance studies in the field of communication They also discuss the power of performance to shape personal and cultural identity The first two chapters explore the ritual nature of performance in two different cultural contexts an African American church service and an Appalachian storytelling event of the legendary Ray Hicks In both arenas the performers act as shamans transporting the audience from their everyday secular lives to the higher ground of the mythic spheres of heroic and fantastic events The next three chapters discuss the notion of place and performance in various landscapes the English countryside the Blue Ridge Mountains and the farmland of the Midwest

Through analysis of the speech and songs of a modern Sussex yeoman the ghost tales of Appalachian storytellers and the narratives of Midwest farmers coping with hard times the authors reveal a variety of ways in which narrative performances function to preserve people's relationship with the land The last four chapters share a focus on women as storytellers One chapter offers a feminist critique of personal narrative research and challenges normative assumptions about the storytelling behavior of women Another chapter interprets a narration of a Galician woman's typical day to reveal how the performance expresses deeply held attitudes and beliefs of her cultural community Words are not the only medium that women use to tell their stories The next chapter examines the story cloths of Hmong women refugees from Laos as intercultural and dialogical performances The last chapter explores self discovery and identity in the storytelling of a woman in the last years of her life This volume is particularly representative of the ways in which communication scholars approach performance studies but will also interest researchers and students of folklore anthropology sociology theatre and related disciplines Appalachia Inside Out: Conflict and change Robert J. Higgs, Ambrose N. Manning, Jim Wayne Miller, 1995 These two volumes constitute the most comprehensive anthology of writings on Appalachia ever assembled Representing the work of approximately two hundred authors fiction writers poets scholars in disciplines such as history literary criticism and sociology Appalachia Inside Out reveals the fascinating diversity of the region and lays to rest many of the reductive stereotypes long associated with it Intended as a sequel to the widely respected collection Voices of the Hills published twenty years ago these volumes reflect the recent proliferation of imaginative and critical writing about Appalachia a proliferation that suggests nothing less than a renaissance of collective self assessment The selections are organized around a variety of themes including War and Revolution Feuds and Violence Nature and Progress Dialect and Language Exile Return and Sense of Place and Majority and Minority and reveal both the radical changes the region has undergone as well as the persistence of certain defining features The title Appalachia Inside Out refers in part to the fact that Appalachia has never existed in timeless isolation from the rest of country and the world rather it has both absorbed outside influences and exerted influence of its own The title also indicates the editors effort to look not only at the visible Appalachia but at the forces that underlie its history and culture What emerges in these pages is an Appalachia both familiar and strange a mirror of lived life on the one hand and on the other a haunted realm of unimaginable loss and bewitching possibility **Ray Hicks of Beech Mountain, North Carolina [record Album]**.
