Rc 147 Crying With Laughter:

As you Like it William Shakespeare, 2014-01-10 This annotated version of *As you Like it* one of the Bard's wittiest and bawdiest plays provides a detailed guide to its Elizabethan language and its references. It restores the drama to the language of the First Folio of 1623 including the original spelling, capitalization, and punctuation. Practical annotation provides insights into the puns, allusions, and world play that characterize all of Shakespeare's dramas. Appendices enumerate the typographical errors that have been corrected in this version, in addition to offering stage directions from the First Folio, lineation amendments, and original character tags. This restorative, no-nonsense approach will appeal to both aficionados and newcomers to Shakespeare's plays. *Cumulated Index Medicus*, 1990 [Braddom's Physical Medicine and Rehabilitation E-Book](#) David X.
