

Thanksgiving

An American Tradition

Thanksgiving is a special holiday that started a long time ago with the Pilgrims, who were some of the first people to come to America from England in 1620. They traveled on a big ship called the Mayflower, looking for a place where they could have religious freedom and thrive. When they arrived, it was a hard and cold winter, and many of them got sick and died. But with the help of friendly Native Americans, they learned how to grow food and survive. When the next year came, they had a big harvest and were very thankful for the food and the help they had received. In November 1621, they celebrated with a big feast that lasted 3 days! They were joined by members of the Wampanoag tribe, including the leader of the tribe named Massasoit. Together, they shared food, played games, and gave thanks for the good harvest, many blessings, and the friendships they had made with the tribe. This event is often considered the beginning of the Thanksgiving holiday in the United States.
