## Revisioning Gender:

**Revisioning Gender** Myra Marx Ferree, Judith Lorber, Beth B. Hess, 1999 This comprehensive handbook summarizes the state of gender studies by examining the crucial research of the past decade and by encouraging thinking about how the questions central to studying gender have themselves changed The book is an important step towards constructing a new analytical framework approach for the social sciences one that calls into question disciplinary boundaries The contributors illustrate how the use of gender by scholars in various and overlapping fields of study has helped alter concepts and research designs *Revisioning Gender*, 2000 The Power of Women's Informal Networks Bandana Purkayastha, Mangala Subramaniam, 2004-01-01 Too often editors Bandana Purkayastha and Mangala Subramaniam have found marginalized groups in rural or impoverished areas are overlooked by the international economy of knowledge The Power of Women's Informal Networks describes and evaluates social organization among poor women in South Asia and West Africa as attempts to challenge marginalization The discerning editors and contributors explicitly consider the situated contexts within which women work together to improve their lives with a primary focus on international women's agencies **Sexuality**

**Repositioned** Belinda Brooks-Gordon, 2004-06 This book aims to explore some of the social and moral censures contours and controversies that shape and mark the boundaries of sexuality **'Race', Sport and British Society** Ben Carrington, Ian McDonald, 2002-01-04 Contrary to the popular belief that sport is an arena largely free from the corrosive effects of racism this book argues that racism is evident throughout British sport From playing fields and boardrooms of sports organisations to the offices of sports policy makers and the media this book breaks new ground in showing how discourses of race and nation continue to pervade our sporting life Looking at a range of sports including football rugby league and cricket this book covers key topics such as British nationalism and nationalist ideology racial science and the images of Asian and black physicality sport racism and the law black feminism and the issues of race gender and sport the role of the media in perpetuating and challenging racial stereotypes Challenging the prevailing liberal view that sport is one area of society where good race relations are developed this book offers a wealth of research material and a strong theoretical perspective on contemporary British sport It will therefore be of vital interest to sociologists sports studies students sport policy makers and anyone with an interest in contemporary British sport **Latinas/os in the United States** Havidan Rodriguez, Rogelio Saenz, Cecilia Menjivar, 2007-11-29 The Latina o population in the United States has become the largest minority group in the nation Latinas os are a mosaic of people representing different nationalities and religions as well as different levels of education and income This edited volume uses a multidisciplinary approach to document how Latinas and Latinos have changed and continue to change the face of America It also includes critical methodological and theoretical information related to the study of the Latino a population in the United States
