Villaflores, 2010-11-23 I had been a nurse for more than 2 decades and I witnessed 2 definite situations in the hospital or in the community either to recover or die In this kind of situation I noticed various emotional and behavioral displays For people who recovers it is a celebration of life but for a dying person fear struggles anxiety screaming yelling for help sets in and the joy rest peace with great expectations begun to marvel Why I was 9 years old sickly frail and scared of death wanting to go to heaven but I dont know how I recovered and I was glad but still with a big question how will I go to heaven I was clueless

While I was still a nursing student assigned in a hospital I heard someone screaming loudly I dont want to go I saw a big muscled man struggling and fighting with no one around Few hours later I discovered that he died of internal bleeding with wide open eyes and mouth A sign of struggle Why *Canadian Books in Print ,2000 The Word of God Foundational Bible Study* Hank Branch,2012-08-27 This facilitator s resource guide is a simple tool that will allow the Holy Spirit to use you to do God s work of being a light so souls may be saved in God s Kingdom The resource guide is designed to bring others to Christ Psalm 143 10 and engage you as a servant of the Lord We do not have to explain Scripture because the Bible explains itself line upon line precept upon precept thus allowing the Word of God to illuminate our spiritual growth Psalm 119 105 Isaiah 60 1 This facilitator s resource guide consists of over six hundred scriptures from more than thirty five books of the Bible It guide accompanies the book *The Word of God Foundational Bible Study*
