

The background of the cover features a coordinate system with a horizontal x-axis and a vertical y-axis. The y-axis has tick marks. Several mathematical curves are plotted: a straight line with a positive slope, a parabola opening upwards, and a curve that appears to be a hyperbola or a similar function. The background is divided into several colored regions: a teal region in the top-left, a light purple region in the top-right, a dark purple region in the middle, and a blue region in the bottom-right. The text is overlaid on these regions.
