Read My Lips Vanessa S. Williamson, 2019-03-05 A surprising and revealing look at what Americans really believe about taxes Conventional wisdom holds that Americans hate taxes But the conventional wisdom is wrong Bringing together national survey data with in depth interviews *Read My Lips* presents a surprising picture of tax attitudes in the United States Vanessa Williamson demonstrates that Americans view taxpaying as a civic responsibility and a moral obligation But they worry that others are shirking their duties in part because the experience of taxpaying misleads Americans about who pays taxes and how much Perceived loopholes convince many income tax filers that a flat tax might actually raise taxes on the rich and the relative invisibility of the sales and payroll taxes encourages many to underestimate the sizable tax contributions made by poor and working people Americans see being a taxpayer as a role worthy of pride and respect a sign that one is a contributing member of the community and the nation For this reason the belief that many Americans are not paying their share is deeply corrosive to the social fabric The widespread misperception that immigrants the poor and working class families pay little or no taxes substantially reduces public support for progressive spending programs and undercuts the political standing of low income people At the same time the belief that the wealthy pay less than their share diminishes confidence that the political process represents most people Upending the idea of Americans as knee jerk opponents of taxes *Read My Lips* examines American taxpaying as an act of political faith Ironically the depth of the American civic commitment to taxpaying makes the failures of the tax system perceived and real especially potent frustrations [Read My Lips](#) RISSA MANANQUIL TRILLO, Summit Books, 2019-05-01 *Read My Lips* What It Takes to Build a World Class Homegrown Brand by Rissa Mananquil Trillo co founder of Filipino beauty brand Happy Skin is part memoir and part business guide by rooting the conversation in Rissa s own experiences from her failures to her successes from her lowest moments to her brightest triumphs she inspires not just readers ready to rise to a new career challenge of entrepreneurship but also anyone who wants to learn about beauty business and life *Read My Lips* is divided into two parts In the first Rissa answers questions about entrepreneurship helping you start and run your own business while fully understanding both the sacrifices and fulfillment that go with making the leap In the second she imparts lessons gleaned from her own life experiences that unfolded the path for opportunities in business and beauty as well as values needed to survive in entrepreneurship *Education of Deaf Children* Joseph Claybaugh Gordon, 1892 **Proceedings of the American Society for Psychical Research** American Society for Psychical Research, 1915 **Sing Out** ,1990 [American Illustrated Magazine](#) ,1885 **Cramer's Opera-Comique Cabinet, edited by H.
