

THE RETURN OF ISIS

Return To Isis

Phil Gurski

Return To Isis:

Returning Islamist Foreign Fighters Elena Pokalova, 2019-10-24 This book examines the challenges foreign fighter returnees from Syria and Iraq pose to Western countries. A number of returnees have demonstrated that they are willing to use violence against their home countries and some have already staged terrorist attacks on Western soil on apparent orders from ISIS. Through the historical context of previous waves of mobilizations of Islamist foreign fighters, the author tracks the experiences of returnees from previous conflicts and discusses the major security challenges associated with them. The book analyzes the major approaches implemented by Western countries in response to foreign fighter returnees, discusses the prosecution of returnees, and evaluates the corresponding challenges of prison radicalization. *Returning Foreign Fighters: Responses, Legal Challenges and Ways Forward* Francesca Capone, Christophe Paulussen, Rebecca Mignot-Mahdavi, 2023-03-24 This book is a follow-up publication to the 2016 volume *Foreign Fighters under International Law and Beyond*, which zooms in on the responses that the international community and individual States are implementing in response to prospective and actual returning foreign fighters (FFs) and their families, focusing on returnees from Syria and Iraq to European countries. As States and international organisations are still learning by doing, the role of the academic community is to help steer the process by bridging the divide between international standards and their implementation at the national level and between security concerns and human rights law. Furthermore, the academic community can and should assist in identifying ways forward that are both effective, sustainable, and international law compliant. Those are ultimately the goals that the present volume seeks to pursue. The observations, recommendations, and warnings included in this book will be useful in future debates on returning FFs both in the academic world and in the world of policy makers and practitioners, as well as to the public at large. Francesca Capone is Associate Professor of International Law at the Istituto DIRPOLIS of the Scuola Superiore Sant'Anna in Pisa, Italy. Christophe Paulussen is Senior Researcher International Law at the T M C Asser Instituut in The Hague, The Netherlands. Rebecca Mignot Mahdavi is Lecturer in International Law at the Manchester International Law Centre, University of Manchester School of Law in Manchester, United Kingdom. **Mosul under ISIS** Mathilde Becker Aarseth, 2021-07-29 The Islamic State of Iraq and Syria (ISIS) ruled Mosul from 2014 to 2017 in accordance with its extremist interpretation of sharia. But beyond what is known about ISIS governance in the city from the group's own materials, very little is understood about the reality of its rule or reasons for its failure from those who actually lived under it. This book reveals what was going on inside ISIS institutions based on accounts from the civilians themselves. Focusing on ISIS governance of education, healthcare, and policing, the interviewees include teachers who were forced to teach the group's new curriculum, professors who organized secret classes in private, doctors who took direct orders from ISIS leaders and worked in their headquarters, bureaucratic staff who worked for ISIS. These accounts provide unique insight into the lived realities in the controlled territories and reveal how the terrorist group balanced their commitment to Islamist ideology with the

practical challenges of state building Moving beyond the simplistic dichotomy of civilians as either passive victims or ISIS supporters Mathilde Becker Aarseth highlights here those people who actively resisted or affected the way in which ISIS ruled The book invites readers to understand civilians complex relationship to the extremist group in the context of fragmented state power and a city torn apart by the occupation

Western Foreign Fighters Phil Gurski,2016-12-08 A number of recent terrorist attacks were committed by young men and women who had radicalized went to train with IS in the Middle East then returned to their home country to commit acts of violence In this text Phil Gurski examines why some people decide to abandon their homeland to join terrorist groups and whether they pose a significant threat to their societies if they survive and return The focus is on Canadians and other Westerners who see violent Jihad as divine obligation with the intention to challenge the view that foreign fighters are all brainwashed The book first looks at state motivation for resorting to conflict and the nature of war including Jihad It then discusses why Westerners volunteered to join the military in past wars to offer points of comparison before focusing on why some are now going to Iraq and Syria to fight along groups such as Islamic State This includes a thorough discussion of the increasing participation of women and the debates among extremists on whether they can engage in warfare Lastly the threat posed by radicalized fighters when they return home after either training or waging war abroad is examined in detail along with what is done to prevent and counter it Written in an accessible manner by a reputed expert on terrorism and radicalization the text will appeal to anyone seeking to understand why people join terrorist groups and the threats they represent to their homeland

Human Rights Law and Counter Terrorism Strategies Diane Webber,2022-06-17 In 2006 the United Nations urged Member States to ensure that counter terrorism policies guaranteed respect for human rights and the rule of law This book demonstrates that in many cases counter terrorism policies relating to preventive detention targeted killing and measures relating to returning foreign terrorist fighters have failed to respect human rights and this encourages vulnerable people to be drawn towards supporting or committing acts of terrorism Furthermore in recent years jurisprudence and public opinion in some countries have shifted from being at one stage more protective of human rights to an acquiescence that some particularly draconian counter terrorism methods are necessary and acceptable This book analyzes why this has happened with a focus on the United States United Kingdom and Israel and offers suggestions to address this issue The work will be essential reading for students academics and policy makers working in the areas of human rights humanitarian law and counter terrorism

Return To Isis Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Return To Isis free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Return To Isis free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines

also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Return To Isis free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Return To Isis. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Return To Isis any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Return To Isis Books

What is a Return To Isis PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Return To Isis PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Return To Isis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Return To Isis PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Return To Isis PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without

significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
