G Thomas

Revolt Against Time:

Revolt Against Theocracy Farhad Khosrokhavar, 2024-08-26 This book is the first in depth account of the uprising in Iran that began on 16 September 2022 when a young woman Mahsa Amini was killed by the morality police In the months that followed protests and demonstrations erupted across Iran representing the most serious challenge to the Iranian regime in decades Women have played a key role in these protests refusing to wear a hijab and cutting their hair in public to chants of Woman Life Freedom In Farhad Khosrokhavar s account these protests represent the first truly feminist movement in Iran and one of the first in the Muslim world where women have been in the vanguard There have been many movements in the Muslim world in which women have taken part but rarely have women and especially young women been the driving force The Mahsa Movement also championed non Islamic secularized values based on the joy of living the assertion of bodily freedom and the quest for gender equality and democracy Khosrokhavar gives a full account of the context of and background to the events triggered by the killing of Mahsa Amini analyzes the character of the Mahsa Movement and the regime s repressive response to it and draws out its broader significance as one of the most significant feminist movements and political uprisings in the Islamic world

Edmund Burke and the Revolt Against the Eighteenth Century Alfred Cobban, 2019-11-19 This edition first published in 1960 The revival of interest in the thought of Burke was one of the justifications for the publication of a second edition of Professor Cobban s study of the political and social ideas of Burke and his closest disciples the Lake Poets Burke s thought has both historical and permanent significance fundamentally his works are as relevant today as when they were first written In this book Burke s ideas are discussed without the uncritical adulation they receive in some quarters and those of the Lake Poets without the undue depreciation from which they used to suffer This title will be of great interest to students of politics philosophy and history

The Oxford Handbook of Dance and Reenactment Mark Franko, 2017-11-15 The Oxford Handbook of Dance and Reenactment brings together a cross section of artists and scholars engaged with the phenomenon of reenactment in dance from a practical and theoretical standpoint Synthesizing myriad views on danced reenactment and the manner in which this branch of choreographic performance intersects with important cultural concerns around appropriation this Handbook addresses originality plagiarism historicity and spatiality as it relates to cultural geography Others topics treated include transmission as a heuristic device the notion of the archive as it relates to dance and as it is frequently contrasted with embodied cultural memory pedagogy theory of history reconstruction as a methodology testimony and witnessing theories of history as narrative and the impact of dance on modernist literature and relations of reenactment to historical knowledge and new media
