Pursuit Of Pleasure Gender Space And Architecture In Regency London:

Pursuit of Pleasure Jane Rendell, 2010-07-15 The Pursuit of Pleasure presents the figures of the rambler and the cyprian the Eighteenth Century precursors to the Parisian flGneur and prostitute The urban spaces traced by these figures were the clubs sporting venues operas assembly rooms streets and arcades of central London Drawing on critical theory geography and philosophy The Pursuit of Pleasure extends and critiques the discipline of architectural history from a feminist perspective The gendering of public space is considered to be a complex and shifting series of moves and looks between men and women constructed and represented through spatial and social relations of consumption display and exchange Illustrated with contemporary prints and drawings The Pursuit of Pleasure is an extraordinarily rich analysis of the gendered issues of public space at the birth of the modern metropolis *The Pursuit of Pleasure* Jane Rendell, 2002 [The Routledge Companion to Women in Architecture](#) Anna Sokolina, 2021-06-28 The Routledge Companion to Women in Architecture illuminates the names of pioneering women who over time continue to foster shape and build cultural spiritual and physical environments in diverse regions around the globe It uncovers the remarkable evolution of women s leadership professional perspectives craftsmanship and scholarship in architecture from the preindustrial age to the present The book is organized chronologically in five parts outlining the stages of women s expanding engagement leadership and contributions to architecture through the centuries It contains twenty nine chapters written by thirty three recognized scholars committed to probing broader topographies across time and place and presenting portraits of practicing architects leaders teachers writers critics and other kinds of professionals in the built environment The intertwined research sets out debates questions and projects around women in architecture stimulates broader studies and discussions in emerging areas and becomes a catalyst for academic programs and future publications on the subject The novelty of this volume is in presenting not only a collection of case studies but in broadening the discipline by advancing an incisive overview of the topic as a whole It is an invaluable resource for architectural historians academics students and professionals **"Addiction and British Visual Culture, 1751?919 "** Julia Skelly, 2017-07-05 Highly innovative and long overdue this study analyzes the visual culture of addiction produced in Britain during the long nineteenth century The book examines well known images such as William Hogarth s Gin Lane 1751 as well as lesser known artworks including Alfred Priest s painting Cocaine 1919 in order to demonstrate how visual culture was both informed by and contributed to discourses of addiction in the period between 1751 and 1919 Through her analysis of more than 30 images Julia Skelly deconstructs beliefs and stereotypes related to addicted individuals that remain entrenched in the popular imagination today Drawing upon both feminist and queer methodologies as well as upon extensive archival research Addiction and British Visual Culture 1751 1919 investigates and problematizes the long held belief that addiction is legible from the body thus positioning visual images as unreliable sources in attempts to identify alcoholics and drug addicts Examining paintings graphic satire photographs advertisements and architectural sites

Skelly explores such issues as ongoing anxieties about maternal drinking the punishment and confinement of addicted individuals the mobility of female alcoholics through the streets and spaces of nineteenth century London and soldiers use of addictive substances such as cocaine and tobacco to cope with traumatic memories following the First World War

Queer Sites in Global Contexts Regner Ramos, Sharif Mowlabocus, 2020-12-29 *Queer Sites in Global Contexts* showcases a variety of cross cultural perspectives that foreground the physical and online experiences of LGBTQ people living in the Caribbean South and North America the Middle East Europe and Asia The individual chapters a collection of research based texts by scholars around the world provide twelve compelling case studies queer sites that include buildings digital networks natural landscapes urban spaces and non normative bodies By prioritizing divergent histories and practices of queer life in geographies that are often othered by dominant queer studies in the West female sex workers people of color indigenous populations Latinx communities trans identities migrants the book constructs thoroughly situated nuanced discussions on queerness through a variety of research methods The book presents tangible examples of empirical research and practice based work in the fields of queer and gender studies geography architectural and urban theory and media and digital culture Responding to the critical absence surrounding experiences of non White queer folk in Western academia *Queer Sites in Global Contexts* acts as a timely resource for scholars activists and thinkers interested in queer placemaking practices both spatial and digital of diverse cultures

Radical Spaces Christina Parolin, 2010-12-01 *RADICAL SPACES* explores the rise of popular radicalism in London between 1790 and 1845 through key sites of radical assembly the prison the tavern and the radical theatre Access to spaces in which to meet agitate and debate provided those excluded from the formal arenas of the political nation the great majority of the population a crucial voice in the public sphere *RADICAL SPACES* utilises both textual and visual public records private correspondence and the secret service reports from the files of the Home Office to shed new light on the rise of plebeian radicalism in the metropolis It brings the gendered nature of such sites to the fore finding women where none were thought to gather and reveals that despite the diversity in these spaces there existed a dynamic and symbiotic relationship between radical culture and the sites in which it operated These venues were both shaped by and helped to shape the political identity of a generation of radical men and women who envisioned a new social and political order for Britain

From Steam to Screen Rebecca Harrison, 2018-03-22 In late nineteenth and early twentieth century Britain there was widespread fascination with the technological transformations wrought by modernity Films newspapers and literature told astonishing stories about technology such as locomotives breaking speed records and moving images seemingly springing into life onscreen And whether in films about train travel or in newspaper articles about movie theatres on trains stories about the convergence of the railway and cinema were especially prominent Together the two technologies radically transformed how people interacted with the world around them and became crucial to how British media reflected the nation s modernity and changing role within the empire Rebecca Harrison draws on archival sources and
