Lord Liar:

Liar, Lunatic, Lord: The Gospel of John as the Greatest Evidence for (or Against) Jesus' Claim to Be I Am Who I Am Eric Deadwyler, 2019-02-28 Many try to claim that Jesus was merely a great teacher or a prophet Former atheist C S Lewis made the inarguable claim that Jesus of Nazareth must be a lying devil a raving lunatic or very God Himself There are no other options said Lewis To say anything less is at best patronizing and at worst dishonest Herein is presented the evidence from the mouth of the Man who spoke thus Let the reader decide whether Jesus is Liar Lunatic or God Pilate therefore said unto him Art thou a king then Jesus answered Thou sayest that I am a king To this end was I born and for this cause came I into the world that I should bear witness unto the truth Every one that is of the truth heareth my voice The Gospel of John presents the key truths of the Bible Version Regular Print 12 PT ENTIRE CONTENTS The Gospel of John unedited KLV 1611

The Homebrewed Christianity Guide to Jesus Tripp Fuller, 2015 Recognizing that the battle over Jesus is no longer a public debate between the skeptic and believer but an internal struggle in the heart of many disciples Tripp Fuller argues that we continue to make christological claims about more than an event or simply the Jesus of history On the other hand C S Lewis' infamous liar lunatic and Lord scheme is no longer intellectually tenable This may be a guide to Jesus but for Christians Fuller is guiding us toward a deeper understanding of God **Handbook of Catholic Apologetics** Peter Kreeft, Fr. Ronald Tacelli, 2016-03-22 Unbelievers doubters and skeptics continue to attack the truths of Christianity Handbook of Catholic Apologetics is the only book that categorizes and summarizes all the major arguments in support of the main Christian beliefs including key distinctively Catholic doctrines Also included is a Protestant friendly treatment of Catholic Protestant issues The Catholic answers to Protestant questions show how Catholicism is the fullness of the Christian faith An expanded Catholic edition of the popular book Handbook of Christian Apologetics Handbook of Catholic Apologetics is full of the wisdom and wit clarity and insight of philosophers Peter Kreeft and Ronald Tacelli This is an informative and valuable guidebook for anyone looking for answers to questions of faith and reason Whether you are asking the questions yourself or want to respond to others who are here is the resource you have been waiting for Topics include Faith and reason The existence of God God's nature Creation and evolution Providence and free will Miracles Problem of evil Bible's historical reliability Divinity of Christ Christ's resurrection Life after death Heaven hell purgatory Salvation Christianity and other religions Objective truth Sacramentalism The Eucharist and the Real Presence of Jesus Mary's role in the Christian order The authority of the Church Communion of saints Faith and works Catholicism as Complete Christianity [The Truth Is Better](#) Kevin Pruitt, 2017-02-22 Gain a greater assurance of God's love Read a book that will change your life forever God made you and will be taking care of you for always There is no reason to be afraid of dying This book instantly changes religious beliefs Know God the real God regardless of your religious background We're proving how many Bible verses are made to believe The God of the Bible is a smokescreen a complete decoy God is not angry with you Stop believing in the Bible's scare factors like

hell and the end of the world Believing a certain way is not a matter of eternal life and death Stop wondering or worrying about divorce or unmarried sex You are free to seek happiness and relate to people as you wish God loves you and would never harm you or anyone else You were created as God initially intended This book is proven and supported by many facts and common sense Everyone is going to heaven You will see all your loved ones who passed away again You will live forever Everyone wants to know what the secret of the universe and the true religion is and this is it You can help spread The Truth Is Better Support Movement which is divinely guided and the will of God See the divine revelations on pages 9 10 and 11 Two thousand years ago God felt it was imperative to initiate and implement some form of moral directive The Bible s stories and teachings were designed to create a certain ideal mind set in its followers but its method was to draw upon much fiction in order to do so So the Bible was not designed just to tell us all that was true but what it wanted us to believe was true
