Red Alert:

Red Alert Peter Bryant,2011-03-01 The basis for Stanley Kubrick s masterpiece Dr Strangelove A chilling Cold War thriller in which unchecked power unleashes total nuclear disaster Air Force Brigadier General Quinten is a dying man suffering from the paranoid delusion that he can make the world a better place by ordering a full scale nuclear attack on the Soviet Union Receiving word of the attack already underway the president of the United States and his advisors now must work frantically to stop it The US bombers are to be shot down but a lone bomber called the Alabama Angel escapes and flies on to complete its lunatic mission ignoring the president s orders A ghastly and chilling vision of what might happen when profound and deadly power is put into the wrong hands this classic thriller continues to serve as a warning in today s tumultuous political climate Red Alert! Stuart J. Foster,2000 Typically referred to as the red scare or McCarthy era the period from 1947 to 1954 proved particularly exacting for educators in America s public schools Red Alert details the profound impact that the red scare had on educational policy and practice as well as examines professional educators cautious response to anti communist repression In particular Red Alert focuses on the work of the National Education Association s Defense Commission and its singular and often fruitless efforts to thwart red scare attack **Just Add Music**

David J. McMullen,2013-08 Everyone loves a song But what is a song To pare it back to basics a song is a three to five minute story usually set to music It generally consists of three or more verses tied together by a chorus While the music is vital in conveying what the song sounds like and in capturing the listener s attention it is the lyrics and the vocalist s interpretation of them that tell the story In Just Add Music or JAM David J McMullen has compiled the lyrics to fit most popular genres of music including but not limited to rock pop blues country Caribbean and adult contemporary JAM is a book of 55 sets Top 50 Plus 5 of song lyrics written for composers producers and musicians to add the music to complete each song **The**

Breaks in the Air John Klaess, 2022-08-22 In Breaks in the Air John Klaess tells the story of rap s emergence on New York City s airwaves by examining how artists and broadcasters adapted hip hop s performance culture to radio Initially artists and DJs brought their live practice to radio by buying time on low bandwidth community stations and building new communities around their shows

Later stations owned by New York's African American elite such as WBLS reluctantly began airing rap even as they pursued a sound rooted in respectability, urban sophistication and polish. At the same time large commercial stations like WRKS programmed rap once it became clear that the music attracted a demographic that was valuable to advertisers. Moving between intimate portraits of single radio shows and broader examinations of the legal, financial, cultural and political forces that indelibly shaped the sound of rap radio, Klaess shows how early rap radio provides a lens through which to better understand the development of rap music as well as the intertwined histories of sounds, institutions, communities and legal formations that converged in the post-Civil Rights era.
