Native Daughter:

From a Native Daughter Haunani-Kay Trask, 2021-05-25 Since its publication in 1993 *From a Native Daughter* a provocative well reasoned attack against the rampant abuse of Native Hawaiian rights institutional racism and gender discrimination has generated heated debates in Hawaii and throughout the world This 1999 revised work published by University of Hawaii Press includes material that builds on issues and concerns raised in the first edition Native Hawaiian student organizing at the University of Hawaii the master plan of the Native Hawaiian self governing organization Ka Lahui Hawaii and its platform on the four political arenas of sovereignty the 1989 Hawaii declaration of the Hawaii ecumenical coalition on tourism and a typology on racism and imperialism Brief introductions to each of the previously published essays brings them up to date and situates them in the current Native Hawaiian rights discussion

From a Native Daughter Haunani-Kay Trask, 1993 In this impassioned and provocative collection of 17 essays Trask a well known activist argues the case of indigenous Hawaiians persons of Polynesian descent who have been overwhelmed by the dominant culture She puts the native Hawaiian experience in its historical context as one of colonialism initiated by military invasion and sustained through military and economic occupation and oppression She also touches on the environmental devastation wrought by development on a beautiful and fragile ecosystem and on the cultural prostitution that occurs when native traditions become mere local color for swarms of tourists Trask examines the claims of Hawaiians to human rights and self determination before international tribunals This issue is given a larger frame of reference by a similar discussion of other Pacific island nations The author convincingly documents continued racism directed at Hawaii's native inhabitants including at the University of Hawaii where she teaches Hawaiian studies Uncompromising yet never shrill this volume is a welcome addition to the growing body of literature on indigenism the movement for the rights of native people around the world May Publisher's weekly viewed Sept 30 2022

Gendering Radicalism Beth Slutsky, 2015-08 In 1919 Charlotte Anita Whitney a wealthy white woman received one of the first Communist Labor Party membership cards for the charter group of the northern California Communist Labor Party Less than a decade later in Berkeley California a Jewish woman named Dorothy Ray Healey became a card carrying member of the Young Communist League Nearly forty years later in 1966 Kendra Claire Harris Alexander a mixed race woman enlisted with the Los Angeles branch of the Communist Party determined to promote class equality In *Gendering Radicalism* Beth Slutsky examines how American leftist radicalism was experienced through the lives of these three women who led the California branches of the Communist Party from its founding in 1919 to its near dissolution in 1992 Separately each woman represents a generation of the membership and activism of the party Collectively Slutsky argues their individual histories tell the story of one of the most infamous organizations this country has ever known and in a broader sense represent the story of all women who have devoted their lives to radicalism in America Slutsky considers how gender politics California's political climate coalitions with other activist groups and local communities and

generational dynamics created a grassroots Communist movement distinct from the Communist parties in the Soviet Union and Europe An ambitious comparative study Gendering Radicalism demonstrates the continuity and changes of the party both within and among three generations of its female leaders lives *Red, White & Black* Frank B. Wilderson III,2010-03-19 *Red White* one by an Indian director *Skins* Chris Eyre and one by a White director *Monster s Ball* Marc Foster These films present Red and Black people beleaguered by problems such as homelessness and the repercussions of incarceration They portray social turmoil in terms of conflict as problems that can be solved at least theoretically if not in the given narratives Wilderson maintains that at the narrative level they fail to recognize that the turmoil is based not in conflict but in fundamentally irreconcilable racial antagonisms Yet as he explains those antagonisms are unintentionally disclosed in the films non narrative strategies in decisions regarding matters such as lighting camera angles and sound *Asian Settler Colonialism* Jonathan Y. Okamura,Candace Fujikane,2008-08-31 *Asian Settler Colonialism* is a groundbreaking collection that examines the roles of Asians as settlers in Hawai i Contributors from various fields and disciplines investigate aspects of Asian settler colonialism to illustrate its diverse operations and impact on Native Hawaiians Essays range from analyses of Japanese Korean and Filipino settlement to accounts of Asian settler practices in the legislature the prison industrial complex and the U S military to critiques of Asian settlers claims to Hawai i in literature and the visual arts [Spaniards in the Colonial Empire](#) Mark A.
