,1924 **Writing American Indian Music** Victoria Lindsay Levine, 2002-01-01 This edition explores the history of musical
contact interaction and exchange between American Indians and Euramericans as documented in musical transcriptions
notations and arrangements The volume contributes to an understanding of American music that reflects our cultural reality
depicting reciprocal influences among Native Americans scholars composers and educators and illustrating consequences of
those encounters for American musical life in general Culled from a published record of over 8 000 songs the edition contains
116 musical examples reproduced in facsimile Included in the volume are the earliest attempts to represent tribal music in
European notation archetypal transcriptions in the scholarly literature of ethnomusicology and recent contributions by
contemporary scholars Some of the notations shown here inspired composers in search of a distinctively American musical
idiom to write works based on American Indian melodies Others captured the imagination of American school children whose
concept of cultural and musical identity came to be linked with American Indians Indigenous notations the work of native
scholars and educators and recent compositions by native composers working in the classical vein also appear in this volume
As a compendium of historic materials the edition illustrates the development of Euramerican attitudes and approaches to
American Indian musics the infusion of native musics into American musical culture and native responses to and participation
