

Paragraph Writing

A paragraph is a group of sentences that expresses a unified idea. There is no set number of sentences in a paragraph. The main parts of a paragraph are the topic sentence, the supporting details, and the concluding sentence. The topic sentence says that the paragraph is about. The supporting details support the topic sentence with details or evidence. The concluding sentence lets the reader know they are at the end of the paragraph. It restates the topic sentence and reminds the reader of the key supporting details.

DIRECTIONS: Look at the picture. Plan to write a paragraph about it by filling in the organizer below.

<p>Topic Sentence. What is the sentence about? What is the main idea you want to tell the reader?</p>	
<p>Supporting Details. What details can you give the reader to support the main idea?</p>	
<p>Concluding Sentence. Remind the reader what the paragraph was about.</p>
