## **Resisting Adonis:**

*Resisting Adonis* Timothy Anderson, 2001-06 A hard edged and dark comic novel concerning Rafael the only perfect child in a dystopian future United North America In the aftermath of a disastrous human genetic experiment a cast of star crossed misfits are played against a backdrop of international tension

**The Theatre of Praise** Joanne Altieri, 1986 A critical examination of panegyric theatre from its beginnings in the masque city pageant and history plays to its varied culmination on the Restoration musical stage

**Why Lyrics Last** Brian Boyd, 2012-04-05 Why Lyrics Last turns an evolutionary lens on lyric verse placing the writing of verse within the human disposition to play with pattern Boyd takes as an extended example the many patterns to be found within Shakespeare's Sonnets There the Bard avoids all narrative and demonstrates the power that verse can have when liberated of story

*Shakespeare and the Resistance* Clare Asquith, 2018-08-21 Shakespeare's largely misunderstood narrative poems contain within them an explosive commentary on the political storms convulsing his country The 1590s were bleak years for England The queen was old the succession unclear and the treasury empty after decades of war Amid the rising tension William Shakespeare published a pair of poems dedicated to the young Earl of Southampton *Venus and Adonis* in 1593 and *The Rape of Lucrece* a year later Although wildly popular during Shakespeare's lifetime to modern readers both works are almost impenetrable But in her enthralling new book the Shakespearean scholar Clare Asquith reveals their hidden contents two politically charged allegories of Tudor tyranny that justified and even urged direct action against an unpopular regime The poems were Shakespeare's bestselling works in his lifetime evidence that they spoke clearly to England's wounded populace and disaffected nobility and especially to their champion the Earl of Essex

*Shakespeare and the Resistance* unearths Shakespeare's own analysis of a political and religious crisis which would shortly erupt in armed rebellion on the streets of London Using the latest historical research it resurrects the story of a bold bid for freedom of conscience and an end to corruption that was erased from history by the men who suppressed it This compelling reading situates Shakespeare at the heart of the resistance movement

*The Apocryphal William Shakespeare* Sabrina Feldman, 2011-10 Sabrina Feldman manages the Planetary Science Instrument Development Office at the NASA Jet Propulsion Laboratory Born and raised in Riverside California she attended college and graduate school at the University of California at Berkeley where she enjoyed the wonderful performances of the Berkeley Shakespeare Company studied Shakespeare's works for a semester with Professor Stephen Booth and received a Ph D in experimental physics in 1996 She has worked on many different instrument development projects for NASA and is the former deputy director of JPL's Center for Life Detection Her scientific training combined with a lifelong love of literature and all things Shakespearean gives her a unique perspective on the Shakespeare authorship mystery Dr Feldman lives in Pasadena California with her husband and two children This is her first book

If William Shakespeare wrote the Bard's works Who wrote the Shakespeare Apocrypha During his lifetime and for many years afterwards William Shakespeare was credited with writing not only the Bard's

canonical works but also a series of apocryphal Shakespeare plays Stylistic threads linking these lesser works suggest they shared a common author or co author who wrote in a coarse breezy style and created very funny clown scenes He was also prone to pilfering lines from other dramatists consistent with Robert Greene s 1592 attack on William Shakespeare as an upstart crow The anomalous existence of two bodies of work exhibiting distinct poetic voices printed under one man s name suggests a fascinating possibility Could William Shakespeare have written the apocryphal plays while serving as a front man for the poet in purple robes a hidden court poet who was much admired by a literary coterie in the 1590s And could the poet in purple robes have been the great poet and statesman Thomas Sackville 1536 1608 a previously overlooked authorship candidate who is an excellent fit to the Shakespearean glass slipper Both of these scenarios are well supported by literary and historical records many of which have not been previously considered in the context of the Shakespeare authorship debate

**Descendants of the Fall** Aaron Hodges,1900 Centuries ago the world fell From the ashes rose a terrible new species the Tangata Now they wage war against the kingdoms of man And humanity is losing Freshly graduated from his military academy twenty year old Lukys marches south toward the frontier where the Tangatan forces are gathering for a final assault Desperate to halt the enemy advance the allied armies plan to thrust unseasoned recruits into the heart of the battle It will be a slaughter But Lukys is determined to survive and he seeks assistance from the only man who seems to care Romaine the last warrior off a broken kingdom Meanwhile the Queen s Archivist leads an expedition into the depths of the earth seeking the secrets of the Gods Their magic was lost to the ages but artefacts remain objects of power that could turn the tide of the war But salvation might not be the only thing that waits beneath the surface Something older slumbers in the darkness And now it stirs Immerse yourself in this sweeping military fantasy novel a masterful fusion of *The Shannara Chronicles* and the enchanting worlds of Brandon Sanderson Written by acclaimed New York Times Bestselling Author Aaron Hodges this complete epic fantasy series delves into a realm of swords sorcery and epic battles that will leave you captivated from start to finish

**Wisconsin Motorist [monthly].** ,1917 **Resistance and Consciousness in Kenya and South Africa** Anders Breidlid,2002 This study undertakes an analysis of the models of response resistance non agency to colonial apartheid and post colonial imposition which are posited in the novels of the Kenyan author Ngugi wa Thiong o and the South African writer Alex La Guma Such a focus involves related issues such as

the relationship between the consciousness level of the subaltern and his/her capacity for resistance and how oppression affects self construction and consciousness Since the book deals with resistance and consciousness within the textual space of the novels the central issue raised in the study is explored around questions of representation The study places the texts in the historical and political context of colonial and post colonial Kenya and apartheid South Africa The study analyses the development of the two authors literary careers and distinguishes between two phases in the two authors fiction viz their counter hegemonic and their combat fiction While the counter hegemonic fiction resists essentialist representation of subaltern consciousness and rejects an essentialist view of resistance as an obvious non contradictory act the study claims that their combat literature is a more direct uncompromising and often one dimensional reaction and struggle against the oppressor

**Clan of the Dung-sniffers** Lee Danielle Hubbard,2008 The Radiance is a mystical object of prayer and devotion Its shattering can only incur punishment most dire So this unlikely clan of conspirators embark on a desperate mission of piecing together fragmented friendships as well as the fragmented Radiance overcoming the ongoing Rebellion as they negotiate the Lakes of Acid
