Heaven: God's Challenges James R. Fielding,2023-08-30 Billions in the world believe that death is not an end all and that the deceased go to Heaven to be with God family and friends for eternity But is Heaven a reasonable concept or just wishful thinking Over one hundred billion people have already died many before Jesus died on the cross Is God caring for their souls and where are these souls James Fielding relies on his scientific background and spiritual experiences to share a unique perspective about the afterlife while attempting to answer complex questions that address who and what goes to Heaven While utilizing scripture to support his examination of the challenges God faces while evaluating and diagnosing billions of deceased souls to maintain a healthy population in Heaven

Fielding examines diverse topics such as salvation Jesus the soul causes of death burials and cemeteries mummies and cryonics embryos and fetuses that miscarry still births the brain disabilities illnesses pain prodigies and geniuses Heaven s language human evolution the age of Heaven s residents and much more Heaven God s Challenges intertwines scientific and biblical insight to present a fascinating examination of the Lord s obstacles the afterlife and the future of Heaven s population

Rider Haggard and the Imperial Occult Simon Magus,2021-12-06 In Rider Haggard and the Imperial Occult Simon Magus offers the first academic monograph on the world of occult thought which lies behind and beneath the fictional writing of H Rider Haggard It engages with a broad scope of religious philosophical and anthropological ideas Many of these were involved in debates within the controversies of the Anglican Church which occurred in the face of Darwinism and the criticism of the Bible The book follows three main intellectual currents involved in the promulgation of these ideas namely the reception of ancient Egypt the resurgence of Romanticism and the ideas of the Theosophical Society all couched within the context of Empire

Soul Genetic Code & Destiny Ashley Ansara DVM PhD,2022-04-19 After many decades of life experiences that include living in three continents Dr Ashley Ansara has come to the realization that humankind should always be willing to seek knowledge expand ourselves be receptive to change and trust our souls to guide us through this life In Soul Genetic Code Dr Ansara shares a new logical hypothesis created from Egyptian belief systems to explain the dynamics of God s relationship to humankind the universal consciousness and the humankind psychological consciousness the mind emotions and free will to determine one s destiny to lead students of life to reconnect to their living souls and become more peaceful loving wise and joyful in the world Through insights shared to prompt the mind to question the heart to vibrate and an energetic movement toward the living soul s truth others will learn about energy and medicine the concept of life essence and soul kinetics the origin biology and DNA of the soul the living soul in ancient Egypt and much more The hypothesis provides compelling evidence to accept the fact that genetic dictate our destiny Environmental factors only put us where do we want to be but never determine where we end up with through life and the outcome of being alive on this earth Soul Genetic Code offers an innovative logical hypothesis derived from Egyptian belief systems to guide others on a journey of self discovery to find their living soul s truth and formalize their destiny
