Na Styke Fronta I Tyla:

Bibliographic Guide to Slavic, Baltic, and Eurasian Studies, 2000 *The Road To Berlin* John Erickson, 2019-07-11 This book traces Russian campaigns from the counterattack at Stalingrad to the fall of Berlin and the capture of Prague It explores in detail Stalin s wartime relations with Roosevelt and Churchill and examines the evolution of his policies toward Poland and the Balkans Myths and Legends of the Eastern Front Boris Sokolov, 2020-01-19 This English translation of the original Russian work is thought provoking challenging the official version of what happened during World War II Firetrench The memory of the Second World War on the Eastern Front still referred to in modern Russia as the Great Patriotic War is an essential element of Russian identity and history as alive today as it was in Stalin s time It is represented as a defining episode a positive historical myth that sustains the Russian national idea and unites the majority of Russian citizens As a result as Boris Sokolov shows in this powerful and thought provoking study the heroic and tragic side of the war is highlighted while the dark side the incompetent negligent and even criminal way the war was run is overlooked Although almost eighty years have passed since the defeat of Nazi Germany he demonstrates that many of the fabrications put forward during the war and immediately afterwards persist into the present day In a sequence of incisive chapters he uncovers the truth about famous wartime episodes that have been consistently misrepresented His bold reinterpretation should go some way towards dispelling the enduring myths about the Great Patriotic War It is necessary reading for anyone who is keen to understand how it continues to be distorted in Russia today **Style and Structure in the Prose of Isaak Babel'** Efraim Sicher, 1986 **How to Advertise a Retail Store, Including Mail Order Advertising and General Advertising** Albert E.
