## **Never Eat Alone:**

**Never Eat Alone** Keith Ferrazzi, Tahl Raz, 2014-06-05 An updated and expanded edition of the runaway bestseller *Never Eat Alone* by Keith Ferrazzi. Proven advice on networking for success over 400,000 copies sold. As Keith Ferrazzi discovered early in life, what distinguishes highly successful people from everyone else is the way they use the power of relationships so that everyone wins. His form of connecting to the world around him is based on generosity and he distinguishes genuine relationship building from the crude, desperate, glad-handling usually associated with networking. In *Never Eat Alone*, Ferrazzi lays out the specific steps and inner mindset he uses to reach out to connect with the thousands of colleagues, friends, and associates on his Rolodex, people he has helped and who have helped him. He then distills his system of reaching out to people into practical, proven principles. Keith Ferrazzi is founder and CEO of Ferrazzi Greenlight, a marketing and sales consulting company. He is the author of the #1 New York Times bestseller *Who's Got Your Back* and has been a contributor to *Inc.*, the *Wall Street Journal*, and *Harvard Business Review*. Previously, he was CMO of Deloitte Consulting and at Starwood Hotels Resorts and CEO of YaYa media. He lives in Los Angeles and New York. [Extended Summary Of Never Eat Alone: And Other Secrets To Success, One Relationship At A Time - By Keith Ferrazzi](#) Sapiens Editorial, 2019-06-03

**INTRODUCTION** What is a personal network and how does it help me in my personal performance? How can I develop one effectively? What kind of people do I need to include in my network? What characteristics do I need to run a network? Are there any plans that help me achieve the goals I have in mind? **WHAT WILL YOU LEARN** This text points out the importance of personal networks to achieve a successful professional career as well as the characteristics they must have: loyalty and generosity among members, thinking about helping members rather than oneself, and having some superconnector members. For their part, the networker must be a sociable and patient person; they must have a personal brand with a unique message to accompany that brand. In addition, given that the ultimate goal is to have a successful career, we touch on the goals and the reasons why we establish them. Following this theme, the author proposes a Network Action Plan which will help us to follow a series of activities that will help us achieve the objectives we want. In the same way, it is emphasized that individuals should not forget their passion, but rather we should find a way to combine them with our activities to achieve a professional career with which we are satisfied. **ABOUT THE ORIGINAL BOOK** The main theme of this book is the importance of personal networks on the road to success. Throughout this text, you will find suggestions that will help you develop your network. In addition, the author will propose the structure of a plan that allows us to work intelligently to meet our objectives. Finally, the necessary elements will be established so that each individual develops their own personal brand. **ABOUT KEITH FERRAZZI** **THE AUTHOR OF THE ORIGINAL BOOK** From humble origins, Keith Ferrazzi began his professional life by applying the principles he shares in this book: creating a social network that would allow him to help other people. This process allowed him to develop and master the tools to develop this type of organization. Currently, he is a successful businessman and is

considered to be an expert in the field of marketing This book is based on the beliefs of Ferrazzi who maintains that generosity is the basic pillar of a successful career Throughout his text we will find tips and the structure that the author himself followed to become the successful man he is today
