

MUKIWA

The background is a painting of a village scene. In the foreground, a white silhouette of a young boy stands with his back to the viewer, looking towards a village. The village features several round huts with conical roofs, some with thatch and others with mud. The scene is set in a lush, green landscape with rolling hills and a path leading into the distance. The overall style is expressive and somewhat somber.

"From time to time a book comes out of Africa that is so good it grips American readers by their hearts. This should be one of them."
