Chekhov is widely acknowledged as one of the most influential literary figures of modern times. Russia's preeminent playwright, he played a significant role in revolutionizing the modern theatre. His impact on prose fiction writing is incalculable; he helped define the modern short story. Beginning with an engaging account of Chekhov's life and cultural context in nineteenth-century Russia, this book introduces the reader to this fascinating and complex personality. Unlike much criticism of Chekhov, it includes detailed discussions of both his fiction and his plays. The Introduction traces his concise impressionistic prose style from early comic sketches to mature works such as *Ward No. 6* and *In the Ravine*. Examining Chekhov's development as a dramatist, the book considers his one-act vaudevilles and early works while providing a detailed act-by-act analysis of the masterpieces on which his reputation rests: *The Seagull*, *Uncle Vanya*, *Three Sisters*, and *The Cherry Orchard*.

About Chekhov Ivan Alekseevich Bunin, 2007-06-05. Seven years after the death of Anton Chekhov, his sister Maria wrote to a friend: "You asked for someone who could write a biography of my deceased brother. If you recall, I recommended Iv Al Bunin. No one writes better than he; he knew and understood my deceased brother very well; he can go about the endeavor objectively. I repeat, I would very much like this biography to correspond to reality and that it be written by I A Bunin." In *About Chekhov*, Ivan Bunin sought to free the writer from limiting political, social, and aesthetic assessments of his life and work and to present both in a more genuine, insightful, and personal way. Editor and translator Thomas Gaiton Marullo subtitles *About Chekhov: The Unfinished Symphony* because, although Bunin did not complete the work before his death in 1953, he nonetheless fashioned his memoir as a moving orchestral work on the writer's existence and art. Even in its unfinished state, *About Chekhov* stands not only as a stirring testament of one writer's respect and affection for another but also as a living memorial to two highly creative artists. Bunin draws on his intimate knowledge of Chekhov to depict the writer at work, in love, and in relation with such writers as Tolstoy and Gorky. Through anecdotes and observations, spirited exchanges, and reflections, this memoir draws a unique portrait that plumbs the depths and complexities of two of Russia's greatest writers.
