

SERVICE LEARNING

DEFINITION

Service learning is an educational approach that combines formal instruction with a focus on meaningful community service. This method encourages students to reflect on their service experience as a way to achieve deeper understanding and develop civic responsibility.

EXAMPLES

- **Voter registration:** Students in a political science class volunteer to help with voter registration targeting the elderly.
- **Books in schools:** Students pair up with local charities and churches to run a campaign to improve the school library's book offerings.
