

A man in a dark suit and a wide-brimmed hat stands in a gallery, looking at various pieces of art on easels. The art appears to be generated by AI, showing various landscapes and abstract scenes. The scene is dimly lit, with a blueish tint, suggesting an evening or indoor lighting. The man has a long, prominent nose and is looking intently at the artwork. The gallery floor is covered with more art pieces, some on the floor and some on easels. The background shows more easels and art pieces, creating a sense of a large collection of AI-generated art.
