## Painted Stream:

The Painted Stream Robin Armstrong, A. S., 1985-01-01      **Vermeer's Afterlives** Ruth Bernard Yeazell, 2026-06-23 How a once forgotten Dutch painter inspired generations of artists writers and filmmakers Johannes Vermeer 1632 1675 is one of the most beloved painters in the world But when an enterprising French journalist and art critic set out to recover his work in the mid nineteenth century both his name and achievement were virtually forgotten Vermeer's Afterlives tells the remarkable story of how one of the great masters of the Dutch Golden Age was lost to obscurity until the rise of art history as a new discipline introduced his work to modern audiences and asks why his art compels so many other artists to respond with works of their own Ruth Bernard Yeazell traces the cultural ascendancy of this extraordinary painter whose enigmatic subjects and quiet introspective interiors transfigured by light and color continue to captivate viewers far removed from his native Delft We meet the critics who first welcomed Vermeer into the canon along with the painters who sought to imitate him the forgers who tried to pass off their work as his own and the contemporary artists who openly repurpose it The enquiry concludes by looking at Vermeer's paintings through the eyes of the poets and novelists who have attempted to translate his silence into words and give voice to the stories he left untold Along the way Yeazell interrogates the changing assumptions that govern art history while demonstrating how paintings live on not only in later paintings but in poetry fiction photography and film Marking the 350th anniversary of Vermeer's death this beautifully illustrated book explores the variety of ways in which Vermeer's art has been interpreted through the centuries and shows how his paintings take on afterlives of their own in the imaginations of those who view them      Bulletin New York State Museum and Science Service, 1905      *The Slave* Robert Hichens, 1899      *Forest and Stream*, 1907      **The Darkest Time of Night** Jeremy Finley, 2018-06-26 When four year old William vanishes in the woods behind his home the only witness is his older brother who whispers The lights took him and then never speaks again With these words the boy's grandmother Lynn Roseworth fears only she knows the truth But coming forward would ruin her family and her husband's political career As Lynn and her best friend Roxy revisit the secrets of her long buried past to find clues that will lead to William they'll get ensnared in a much larger conspiracy The truth is hidden for a reason and not even a grandmother's love may be enough to save her grandson from what is coming for them all
