Pacific Overtures

George C. Brodrick

Pacific Overtures:

Pacific Overtures Stephen Sondheim, John Weidman, Hugh Wheeler, 1991 Exploring the opening up of Japan to American influence and using motifs from Japanese theatre and music this is one of Sondheim's most adventurous musicals In 1852 Commodore Matthew Perry and four American warships arrived in Japan and the Floating Kingdom was never the same again Borrowing liberally from the techniques of Kabuki Theatre Sondheim's musical explores the state of Japan before and after this enforced opening up by the West

Art Isn't Easy Joanne Gordon, 2009-06-16 The musical theatre of Stephen Sondheim probes deeply into the most disturbing issues of contemporary life By challenging his audience with intricate music biting wit and profound themes he flouts the traditional wisdom of the musical theatre Tracing Sondheim's career from his initial success as lyricist for *West Side Story* and *Gypsy* to his most recent work *Into the Woods* and *Assassins* Joanne Gordon emphasizes not only the disturbing content of Sondheim's work but his innovative use of form In shows such as *A Little Night Music* *Sweeney Todd* and *Sunday in the Park* with George Sondheim's music and lyrics are inextricably woven into the fabric of the entire work

Stephen Sondheim and Andrew Lloyd Webber Stephen Citron, 2001-09-13 The New York Times called Stephen Sondheim the greatest and perhaps best known artist in the American musical theater while two months earlier the same paper referred to his contemporary Andrew Lloyd Webber as the most commercially successful composer in history Whatever their individual achievements might be it is agreed by most critics that these two colossi have dominated world musical theater for the last quarter century and hold the key to the direction the musical stage will take in the future Here in the third volume of Stephen Citron's distinguished series *The Great Songwriters* in depth studies that illuminated the musical contributions careers and lives of Noel Coward and Cole Porter Noel Cole *The Sophisticates* and Oscar Hammerstein 2nd and Alan Jay Lerner *The Wordsmiths* this eminent musicologist has taken on our two leading contemporary contributors to the lyric stage His aim has not been to compare or judge one's merits over the other but to make the reader discover through their works and those of their contemporaries the changes and path of that glorious artform we call Musical Theater In his quest Citron offers unique insight into each artist's working methods analyzing their scores including their early works and works in progress As in Citron's previously critically acclaimed books in this series great significance is given to the impact their youthful training and private lives have had upon their amazing creative output Beginning with Sondheim's lyrics only works *West Side Story* *Gypsy* *Do I Hear A Waltz* through his scores for *Saturday Night Company* *Anyone Can Whistle* *Follies* *Pacific Overtures* *A Little Night Music* *Sweeney Todd* *Merrily We Roll Along* *Sunday In the Park* *Into the Woods* *Assassins* and *Passion* all these milestones of musical theater have been explored Lloyd Webber's musical contribution from his early works *The Likes of Us* and *Joseph to Jesus Christ Superstar* *Evita* *Cats* *Starlight Express* *Aspects of Love* *By Jeeves* *The Phantom of the Opera* *Song Dance* *Mass* *Sunset Boulevard* to *Whistle Down the Wind* are also thoroughly analyzed The works of these two splendid artists are clarified for the casual or professional reader in context with

their contemporaries Complete with a quadruple chronology Sondheim Lloyd Webber US Theater British Theater copious quotations from their works and many never before published illustrations the future of the artform that is the crowning achievement of the 20th century is made eminently clear in this book Sondheim Lloyd Webber is a must read for anyone interested in the contemporary theater **Asian American Culture on Stage** Yuko Kurahashi,1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company **Stephen Sondheim** Joanne Gordon,1999-11 Stephen Sondheim is an artist with many contradictory facets he is an avant garde composer and lyricist working in the populist art form an apparently dry and acerbic critic who captures all the ambivalent pain of passion an intellectual whose work contains some of the funniest bawdy lines on the Broadway stage He has chosen to confront an audience that is usually looking for escapist literature with the very issues it has fled to the theatre to avoid This collection of original essays takes particular pains to present Sondheim s diversity in a chronological plan that illustrates how each new work grew out of the previous one Some of the topics covered are the evolution of Sondheim s female characters who take us far beyond the usual sweet ingenues the Roman farce antecedents of A Funny Thing Happened on the Way to the Forum and the resemblances between Sondheim s chorus and the chorus in ancient Greek drama Sondheim and the concept musical and Sondheim s maturing philosophy All students of the modern theatre and the modern musical will want to read this book **How Sondheim Can Change Your Life** Richard Schoch,2025-11-11 An incisive heartwarming The New York Times Book Review exploration of the powerful and universal lessons from the music and lyrics of Stephen Sondheim the genius behind such musical theater masterworks as Company West Side Story and Into the Woods Stephen Sondheim died on November 26 2021 but for countless fans around the world he is still here to quote one of his lyrics With acclaimed revivals of his landmark shows occurring around the world and introducing new generations to the man who transformed American musical theater Sondheim s legacy has only grown How Sondheim Can Change Your Life makes the case that Sondheim s greatness beyond the clever lyrics and adventurous music rests in his ability to tell stories that relate to us all From Louise s desire for freedom as Gypsy Rose Lee to Sweeney Todd s thirst for revenge we as an audience relate easily to Sondheim s characters His works understand us as much as we understand them With clarity and accessibility Ben Brantley former theater critic The New York Times How Sondheim Can Change Your Life is rich with stories about productions and iconic performers deep readings of his music and lyrics and insights into his creative process But more than that it reveals how Sondheim s works can enrich our own lives Catalogue Maggs Bros,1926 *The Best Plays of 1975-1976* Otis L.
