**Pagans & Christians** Gus DiZerega,2001 Although Christianity is still a major religious force there are growing numbers of people in other faiths including the various Pagan traditions Some Christians have responded to this trend with fear and derision while some Pagans have reacted to that fear with anger and mistrust Much of the problem is due to misunderstandings and lack of communication This can change with Gus diZerega's **Pagans Christians** Here you will find a penetrating and illuminating comparison showing that neither path has the single correct approach to the Divine Rather either or both can be authentic and legitimate expressions of the appreciation of the Ultimate Source of All Pagans Christians is an ideal way to help bridge what at time seems a wide chasm between Christian and Pagan beliefs By sharing core ideas of both paths this book provides a way to give deeper mutual understanding and unity among the religions of the world Although Pagans Christians accepts both paths as valid the book provides a more in depth explanation of Paganism the minority religion because in some ways Paganism demands a greater defense and explanation of its beliefs and ideas to dispel misunderstandings The author is a Third Degree Gardenerian Elder and in **Pagans Christians** has presented nothing less than a brilliant defense of Paganism clearly showing how it should stand beside all of the major religions of the world as an equal As part of this defense diZerega gives a listing of biblical contradictions and Christian philosophical difficulties which can help any Pagan responding to a negative attack and will help any Christian to view his or her religion as a way not the way Winner of the 2001 Coalition of Visionary Resources COVR Award for Best Non fiction Book

**Neo-Paganism: Historical Inspiration & Contemporary Creativity** John Halstead,2019-08-29 A living relationship with the wild natural world is our birthright as human beings But centuries of civilization patriarchy transcendental monotheism reductionist science and capitalism have broken the connection between humankind and nature To be Neo Pagan today is to reclaim our original relation with the world It is nothing more and nothing less than to be fully human again To re learn what this means we need to strip away the layers of estrangement that have accreted to our collective soul over the centuries So we look back to our pagan ancestors Though separated by time there is a connection between us and them We carry it in our flesh and blood At our most fundamental we are still the same human beings we were then We can be pagan again today because we live under the same Sun and on the same Earth we feel the same wind blowing through our hair and the same rain falling on our skin
