

Russia The People

J Rink

Russia The People:

Russia Greg Nickles, 2000 Describes city and rural life family customs traditional dress food pastimes schools and problems created by the struggling economy in this vast federation

Russia Geoffrey A. Hosking, 1997 The Soviet Union crumbles and Russia rises from the rubble once again the great nation a perfect scenario but for one point Russia was never a nation And this says the eminent historian Geoffrey Hosking is at the heart of the Russians dilemma today as they grapple with the rudiments of nationhood His book is about the Russia that never was a three hundred year history of empire building at the expense of national identity Russia begins in the sixteenth century with the inception of one of the most extensive and diverse empires in history Hosking shows how this undertaking the effort of conquering defending and administering such a huge mixture of territories and peoples exhausted the productive powers of the common people and enfeebled their civic institutions Neither church nor state was able to project an image of Russian ness that could unite elites and masses in a consciousness of belonging to the same nation Hosking depicts two Russias that of the gentry and of the peasantry and reveals how the gap between them widened by the Tsarist state s repudiation of the Orthodox messianic myth continued to grow throughout the eighteenth and nineteenth centuries Here we see how this myth on which the empire was originally based returned centuries later in the form of the revolutionary movement which eventually swept away the Tsarist Empire but replaced it with an even more universalist one Hosking concludes his story in 1917 but shows how the conflict he describes continues to affect Russia right up to the present day

The People of Great Russia Geoffrey Gorer, John Rickman, 1950

Russia's People of Empire Stephen M. Norris, Willard Sunderland, 2012-07-11 A fresh and lively approach to understanding how the various Russian empires have worked Slavic Review A fundamental dimension of the Russian historical experience has been the diversity of its people and cultures religions and languages landscapes and economies For six centuries this diversity was contained within the sprawling territories of the Russian Empire and the Soviet Union and it persists today in the entwined states and societies of the former USSR Russia s People of Empire explores this enduring multicultural world through life stories of 31 individuals famous and obscure high born and low men and women that illuminate the cross cultural exchanges at work from the late 1500s to post Soviet Russia Working on the scale of a single life these microhistories shed new light on the multicultural character of the Russian Empire which both shaped individuals lives and in turn was shaped by them Students of Russian empire would be well served with this work given its snapshots of diverse imperial milieus and their attendant multicultural dialogues at the personal level Slavic and East European Journal This compilation gives readers a more in depth personal understanding of how the inescapable existence of diversity in Russia and the Soviet Union related to everyday life Highly recommended Choice

Russians Gregory Feifer, 2014-07-04 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries and continue to do so today RUSSIANS explores the

seeming paradoxes of life in Russia by unraveling the nature of its people what is it in their history their desires and their conception of themselves that makes them baffling to the West Using the insights of his decade as a journalist in Russia Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable is logical when seen from the inside And he makes clear why President Putin remains popular even as the gap widens between the super rich and the great majority of poor Traversing the world s largest country Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia s complex relationship with the world What emerges is a rare portrait of a unique land of extremes whose forbidding geography merciless climate and crushing corruption has nevertheless produced some of the world s greatest art and some of its most remarkable scientific advances From publisher description

The Russians
Robin Milner-Gulland,2000-04-07 This book examines the history of the Russian peoples from the time of the first inhabitants of Old Russia or Rus up to the present day

Putin's People Catherine Belton,2020-06-23 A New York Times and Sunday Times bestseller A New York Times Book Review Editors Choice Named a best book of the year by The Economist Financial Times New Statesman The Telegraph Putin s People will surely now become the definitive account of the rise of Putin and Putinism Anne Applebaum The Atlantic This riveting immaculately researched book is arguably the best single volume written about Putin the people around him and perhaps even about contemporary Russia itself in the past three decades Peter Frankopan Financial Times Interference in American elections The sponsorship of extremist politics in Europe War in Ukraine In recent years Vladimir Putin s Russia has waged a concerted campaign to expand its influence and undermine Western institutions But how and why did all this come about and who has orchestrated it In Putin s People the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country Delving deep into the workings of Putin s Kremlin Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs who in turn subverted Russia s economy and legal system and extended the Kremlin s reach into the United States and Europe The result is a chilling and revelatory expos of the KGB s revanche a story that begins in the murk of the Soviet collapse when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West Putin and his allies subsequently completed the agenda reasserting Russian power while taking control of the economy for themselves suppressing independent voices and launching covert influence operations abroad Ranging from Moscow and London to Switzerland and Brooklyn s Brighton Beach and assembling a colorful cast of characters to match Putin s People is the definitive account of how hopes for the new Russia went astray with stark consequences for its inhabitants and increasingly the world

Russia's Public Diplomacy Anna A. Velikaya,Greg Simons,2019-09-26 Russian public diplomacy attracts growing attention in the current global climate of tension and competition However it is often not understood or is misunderstood Although some articles and book chapters exist there are

almost no books on Russian public diplomacy neither in Russian nor in English This edited collection is an in depth and broad analysis of Russian public diplomacy in its conceptual understanding and its pragmatic aims and practice Various aspects of Russian public diplomacy from cultural to business practices will interest professors students and practitioners from various countries Written by a diverse collection of the most prominent and capable scholars from academia to international organizations with a wealth of knowledge and objective experience this book covers the vital topics and thoroughly analyzes the best practices and mistakes within the broad understanding of public diplomacy conducted by the Russian Federation

Struggling Russia ,1919 **The Etude** ,1913 A monthly journal for the musician the music student and all music lovers *Putin v. the People* Samuel A. Greene,Graeme B. Robertson,2019-06-11 A fascinating bottom up exploration of contemporary Russian politics that sheds new light on why Putin s grip on power is more fragile then we think What do ordinary Russians think of Putin Who are his supporters And why might their support now be faltering Alive with the voices and experiences of ordinary Russians and elites alike Sam Greene and Graeme Robertson craft a compellingly original account of contemporary Russian politics Telling the story of Putin s rule through pivotal episodes such as the aftermath of the For Fair Elections protests the annexation of Crimea and the War in Eastern Ukraine Greene and Robertson draw on interviews surveys social media data and leaked documents to reveal how hard Putin has to work to maintain broad popular support while exposing the changing tactics that the Kremlin has used to bolster his popularity Unearthing the ambitions emotions and divisions that fuel Russian politics this book illuminates the crossroads to which Putin has led his country and shows why his rule is more fragile than it appears The Western Christian Advocate ,1906 *Military Thought* ,1992

Russia and Western Man Walter Schubart,1950 **Structures of Society** Elise Kimerling Wirtschafter,1994 A category of persons best defined by what they were not the raznochinty people of various ranks or people of diverse origins inhabited the shifting social territory between nobles and serfs in preindustrial Russia Neither merchants nor clergy nor military servicemen they may have been by occupation administrative clerks teachers artists retired soldiers or street vendors In official society they were outsiders In this first major study of the raznochinty Wirtschafter draws on a rich array of archival legal administrative and public sources to show how this important but elusive category functioned in Russian society from the time of Peter the Great to the late nineteenth century Challenging the traditional image of a rigidly hierarchical social structure her conclusions indicate that there was much more mobility within imperial Russian society than historians have previously thought Developing a representational interpretation Wirtschafter examines the raznochinty as a legal social and cultural category Focusing on the usages meanings and dynamic evolution of the category she analyzes the origins of the raznochinty as well as larger theoretical issues of social categorization and delimitation Her depiction of a society where social boundaries were porous and social definitions fundamentally indeterminate provides a new perspective on some of the most stubbornly problematic themes in imperial Russian history The Spirit of Russia Tomáš Garrigue

Masaryk,1967 The New Russia ,1920 *History of the Mongolian People's Republic* William A. Brown,Urgrunge
Onon,2020-05-18 An annotated translation of the third volume of the detailed comprehensive history of the Mongolian People
s Republic *The Nineteenth Century and After* ,1918 **The Mining Magazine** ,1914
