Magdalenes Timeless Testament Rolling Away The Stone:

Magdalene's Timeless Testament Judith Grant,2003-02-01 Books in Print Supplement ,2002 *The Four Gospels* William S. Stobb,2015-06-18 The Four Gospels have been read and studied for nearly 2 000 years As early as the second century Irenaeus Church father and martyr declared that four accounts of the life of Christ were needed no more and no less Yet many Christians in spite of the numerous and excellent commentaries available today cannot answer the question Why four Gospels This in depth volume which took 20 years to research and 10 years to write clearly reveals the necessity of a four fold portrait of Christ Selected excerpts from some of the most celebrated writers of the past such as A Edersheim Chas Erdman F W Farrar Edw Gibbon F L Godet D S Gregory F W Krummacher H H Milman G Campbell Morgan Arthur Pink Sir Wm Ramsay Chas Rollin R C Trench B F Westcott and scores of others are incorporated throughout the book in order to explain and substantiate the historical background and characteristic differences of the Four Gospels This work is an excellent reference for teachers students and historians but is designed for Christians in all walks of life A homeschooling mother stated that the work is quite readable even by a pressured mom and very worthwhile I especially like the organization of the book which helped me keep my bearings The history is fascinating and helpful **Forthcoming Books** Rose Army,2003 **Eternal Nuggets** Mark Nyarko,2018-08-30 It is generally known that the spirit realm is the transcendent or absolute reality that actually gave birth to our temporal reality or what we know to be physical material temporary realm Because our existence owes its source to the spiritual realm the latter is actually what dictates events in our realm It takes no effort to realize that not only is the bible an integrated message but also one that has its origins in another dimension of existence beyond what we are accustomed to Have you wondered how the Bible accurately describes scientific phenomena millennia before science arrived on the planet How on earth did Moses know how the world was created when no man was on the scene at the beginning of creation It does not take a genius to fathom that there has to be a supreme being a God out there who is the source and sustainer of all life Like I said earlier on whether we are aware or not life in this temporary material realm is influenced even directed from another realm the spiritual That is why it is important that we understand this realm and cooperate with it to get it to work with and for us Paul wrote in 2 Corinthians 4 18 While we do not look at the things which are seen but at the things which are not seen For the things which are seen are temporary but the things which are not seen are eternal He is saying that our focus should be on the unseen eternal realm which is the real reality because that is permanent as opposed to this realm that is but a passing shadow The need to focus on the things that don t change becomes even more crucial because of the sheer amount and complexity of change that we have to contend with in our lives Changes in technology science medicine career and the work place are so fast and complex that we need something strong enough to provide the necessary moorings to hold our lives in place and provide the necessary balance to our lives if we are not to be swept away by the change Even though change is unsettling disruptive and can be scary even good change it brings

opportunities and progress So how do we maintain our sanity and embrace the necessary change It is my conviction that we do this by turning to and focusing on the things that do not change The things that do not change include God and his word humans in our basic makeup and constitution and our biological makeup and sexuality family society relationships parenting etc Of course the way these may be defined may change over time but the fact is that they are there This is why it is important to access the right information from the source of this realm the spirit realm to influence and direct our lives in this realm because even though the way man has come to view certain things may have changed over time the spirit realm is not subject to same change as this This is the reason why it is important to know God s truth on every issue of life and apply it accordingly Now the Bible says that Jesus is the only legitimate door to the spirit realm According to John 10 9 10 Jesus says I am the door If anyone enters by me he will be saved and will go in and out and find pasture The thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly He is the only authorized dealer mandated by God to take people into the Father s presence and hence the only mediator between man and God As you embrace the truths enshrined in this book understand that you are calling on a power greater than yourself from a source beyond this temporal realm to intervene in your life and that of your family Make the truths enshrined in Eternal Nuggets your truths by incorporating them into your life and see the invisible but real hand of God move in your life to bring much needed blessing peace and contentment into every area of your life

The Resurrection of Mary

Magdalene Jane Schaberg,2004-08-31 The controversy surrounding Dan Brown s novel The Da Vinci Code has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework The Resurrection of Mary Magdalene approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy

Mary Magdalene from the New Testament to the New Age and Beyond

Edmondo F. Lupieri,2019-10-14 An international team of twenty scholars under Edmondo F Lupieri s direction produced Mary Magdalene from the New Testament to the New Age and Beyond While the historical figure of the Magdalene may be lost forever the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith Different pictures of Mary travelled through time and space from history to legend and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others

Mary Magdalene: New Testament Eve Robert Cameron Malcolm,2020-07-24 *Mary of Magdala* Elaine Rose Penn,2019-10-30

Mary Magdalene We know from the way she is introduced to us from the Bible record that she had once been possessed by seven devils This

fact more than any other seems to be all that we know about her connection to Jesus the Christ We know that she appears quite unexpectedly at the cross of Jesus and then at his tomb We know that she alone was given the distinction of being the first to see the Christ alive from the dead We know that Jesus gave her the remarkable charge to announce his resurrection to the world in absolute accuracy of what He said he would do We know that she was one of the twenty five female disciples of Jesus who sat at his feet and learned from his teachings Yet her identity and ministry are as baffling to us as her sudden appearance in the Holy scriptures Mary of Magdala Out of Whom Came Seven Devils finally settles the current debate over Mary Magdalene s true relationship to the Savior The chapter From the Top to the Bottom describes what the Sanhedrin and the priests of the temple would have seen when at the point of Jesus death the Veil was ripped in two right before their eyes And clears up the misconception that the Ark of the Covenant was still existent at the time of Jesus Who Is My Mother provides much needed clarity as to why the natural brothers of Jesus refused to take possession of His Body after the crucifixion When Jesus appeared to Mary at the tomb the Bible says that she mistook Him for the gardener Lovers of Biblical mystery will gain great insight from the chapter Who Rolled Away the Stone in answer to the question of why Jesus was not recognizable when He arose from the dead Traditions of the Fathers will once and for all settle the question of Mary s painful past and how she came to be known as one of the most enviable of all of Jesus disciples

The Gospel of Mary Esther de Boer, 2004-06-22 The Gospel of Mary the only known gospel that is named after a woman has aroused new interest in the figure of Mary Magdalene and the beginnings of Christianity What was her impact and her message What became of her and her ideas This book examines the Gospel of Mary to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal It proposes a new perspective on matter and nature in the Gospel of Mary suggesting that it is not to be categorized as a gnostic writing Furthermore the study argues that Mary s teaching in the Gospel of Mary is more closely related to the writings of Philo the letters of Paul and the Gospel of John than to the Nag Hammadi Codices As such the Gospel of Mary and its portrayal of Mary Magdalene cannot be seen as evidence of a specific gnostic esteem for Mary Magdalene but rather demonstrates the esteem of believers belonging to a broader Christian context
