**Circus World** Andrea Ringer,2024-07-09 From the 1870s to the 1960s circuses crisscrossed the nation providing entertainment A unique workforce of human and animal laborers from around the world put on the show They also formed the backbone of a tented entertainment industry that raised new questions about what constituted work and who counted as a worker Andrea Ringer examines the industry wide circus world the collection of shows that traveled by rail wagon steamboat and car and the traditional and nontraditional laborers who created it Performers and their onstage labor played an integral part in the popularity of the circus But behind the scenes other laborers performed the endless menial tasks that kept the show on the road Circus operators regulated employee behavior both inside and outside the tent even as the employees themselves blurred the line between leisure and labor until in all parts of the show the workers could not escape their work Illuminating and vivid Circus World delves into the gender class and even species concerns within an extinct way of life

**Poguemahone** Patrick McCabe,2022-05-03 A swirling psychedelic bleakly funny fugue by the Booker shortlisted author of *The Butcher Boy* and *Breakfast on Pluto* Una Fogarty suffering from dementia in a seaside nursing home would be all alone without her brother Dan whose epic free verse monologue tells their family story Exile from Ireland and immigrant life in England Their mother's trials as a call girl Young Una's search for love in a seemingly haunted hippie squat and the two timing Scottish stoner poet she'll never get over Now she sits outside in the sun as her memories unspool from Dan's mouth and his own role in the tale grows ever stranger and more sinister A swirling psychedelic bleakly funny fugue Patrick McCabe's epic reinvention of the verse novel combines Modernist fragmentation and Beat spontaneity with Irish folklore then douses it in whiskey and sets it on fire Drinking song and punk libretto ancient as myth and wholly original Poguemahone is the devastating telling of one family's history and the forces seen and unseen that make their fate
