

BIOETHICS

2022-2023

Leicester Law School

Tutorial 1

Introduction to Moral Reasoning

A clearer understanding of the nature of bioethics will emerge when you work through the arguments on the various issues you are going to study. This tutorial is intended to begin to get you talking amongst your peers about moral arguments and moral theories, and to get to know your peers. The tutorial is also intended to show that there is scope for argument in bioethics, and to show that ethics is **not** subjective.

The activities in tutorial are intended to achieve the following outcomes. Students should be able to

- *Explain and Assess* Beauchamp and Childress's four-principle approach, and their practical methods of specification & weighing and balancing.
- *Reflect* on your approach to ethical problems through a practical question
- *Apply and Assess* the ethical approaches of Utilitarianism and Kantian Ethics.

Reading (required reading is starred)

*Lewis Vaughn, *Contemporary Moral Arguments: Readings in Ethical Issues* (2nd edn, OUP 2013) chapter 1, pp. 1-9, & chapter 2, pp 62-66, 68-69, 77-81 (available on bioethics ReadingList)

*Beauchamp & Childress, *Principles of Biomedical Ethics* (8th edn) chapter 1, pp. 10-25

*Tom Beauchamp, 'The Four-Principles Approach to Health Care Ethics', in Richard Ashcroft et al (eds.) *Principles of Health Care Ethics* (2nd edn, Wiley 2007) (available on ReadingLists).

For an alternative introduction to bioethics, see Emily Jackson, *Medical Law: Text, Cases and Materials* (6th edn, OUP 2022) chapter 1. For another alternative, see Jonathan Herring, *Medical Law and Ethics* (9th edn, OUP 2022) These books are available online.

For a useful introduction to the trolley problem (though it is not necessary to have done any reading on *the problem*) Michael Sandel's lecture as part of his 'Justice: What's the Right Thing to Do?' series, is useful: [link here](#). There is also a very good discussion of the trolley problem in Netflix's *The Good Place*, season 2, episode 5, 'The Trolley Problem'.
