Once the course is created, you can resell it over and over again, and this will generate a passive income.  
Creating an online course can be the first step to change your life forever.  
I have read and met in person many online entrepreneurs who have gone from barely reaching the end of the month to making hundreds of thousands of dollars with their online business every year.  
But all that glitters is not gold.  
Success stories like these, as in the case of great sportsmen, for example, didn't come for a wish or a prayer, but instead happen when a well-designed action plan is followed by actual action.  
I firmly believe that anyone in the world can successfully create a profitable online course; they just have to do their best for themselves and their business.
