**On a Chinese Screen** W. Somerset Maugham, 2021-10-18T19:49:51Z

On a Chinese Screen was first published in 1922 by Heinemann Publishers London Its 58 short vignettes are based on Maugham's travels along the Yangtze River from 1919 to 1920 Although later editions of the book added the subtitle Sketches of Life in China there are actually only a few descriptions of the places he visited and the local Chinese people he met rather Maugham focuses on relating his encounters with a range of Europeans living and working in the country Maugham is quite critical of many of them and their lack of interest in and sometimes disdain for the country and its people except for the extent to which their careers and pockets could benefit His sketches highlight the difficulties that many expatriates encounter while living in a foreign culture This book is part of the Standard Ebooks project which produces free public domain ebooks
