Forgotten Disney Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory

Chinese in Hollywood Jenny Cho and the Chinese Historical Society of Southern California, 2013 Hollywood has long exerted an international influence on the global imagination In the first half of the 20th century Chinese American actors who aspired to a career in Hollywood found their opportunities limited to roles that propagated Asian stereotypes Meanwhile many Chinese roles were given to non Asian actors playing yellowface It has been a long hard road for Chinese in Hollywood who have striven to build meaningful careers behind and in front of the camera This book focuses on the contributions of Chinese and Chinese Americans to the film and television industries as well as those who lived and worked in the Hollywood area Vintage photographs celebrate pioneers such as Anna May Wong Tyrus Wong Milton Quon James Wong Howe and many more From the silent film era to the present the history of Chinese in Hollywood will surpass 100 years
