Making America Complete, Second Edition and Making America History CD-ROM Berkin, 1999-01-01 Making America
Carol Berkin, 1999-01-01 **Making America Complete Brief and Binder, Volume 1, Third Edition** Berkin, 1997-01-01

To Make America Ida Altman, James Horn, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1991 Make America Great Again, For Who? - A Combination of Writings Blue Seven-Seven, 2021-08-31 When reading this book Make America Great Again For Who You will allow the author to take you on a journey that will allow you to see and feel the growing pains of America You will also note how the religious fundamentalist have taken measures to control this country since it has begun You will also note how the religious fundamentalist attempts to control the action of others such as the LGBTQ citizens and those citizens who would like to gamble in order to achieve the American dream The author makes note of those who have taken and are still taking away the peace comfort and freedom of others in order to satisfy their needs The author also provides information in a way that will allow the people to search their souls and feel empathy for others The author would like Americans to realize the people that were destroyed as this country was growing and being established The author noted that many Americans young and old will see and realize the pain and suffering others endured as the first settlers came and took advantage of the Native people took their land at will and put them on reservations Americans today must be made aware that the pride they feel is over shadowed by the pain and suffering of others The author also notes although our country is very much divided by many things some of which are false and some of which are misunderstood The author says we still have a chance to be the best we can be as a country So he would like to challenge each and every American to apply some introspection and get to know who they are This book also denotes honor to the Americans that have been and are being treated with a perpetual strong hold of injustice **Making America Work** Jonathan Barry Forman, 2006-09 Work Hard work And plenty of it That is what has made the United States into the world's foremost economic superpower But while we Americans value and respect work we are also concerned about economic justice We like to see all workers earn a fair day's pay for a fair day's work And we like having a safety net to catch those who cannot compete successfully in our labor markets America works because of this balance between the desire to reward work and our concerns about economic justice But according to Jon Forman America could work even better In Making America Work Forman explains how current government policies influence work and work behavior and makes the case for changing government tax welfare Social Security pension and labor market policies to encourage work and promote greater economic justice It is a clear provocative declaration of principles and a bold prescription for policies that restore and preserve the balance of work rewards and
