sixty years mostly Britains but as the title suggests including other interesting additions In this book he shares some of the in
depth knowledge gained through experience and countless hours of careful research but most of all the passion and
enthusiasm for his hobby He explains how he was inspired to collect soldiers like so many in early boyhood and how a hobby
grew into an obsession The various chapters then examine themes he followed in his collecting such as Britains Special
Painting Orders and Indian Army Pipe Bands for example or address questions regarding the manufacture or identity of
specific sets that he has researched or in some cases is still seeking the answer to It is packed with anecdotes useful
