Making Of Evita:

The Making of Evita Alan Parker,1996 **Making of "Evita"** Alan Parker,1998-12 **Eva Perón** María Belén Rabadán Vega,Mirna Vohnsen,2021-08-15 No Latin American woman has ever elicited such extreme feelings of love and hate as Eva Per n She was an actress of humble origins who fell in love with and married the soon to be president of Argentina Juan Domingo Per n Evita as she was fondly known became the most powerful woman in Argentine history Adored by the masses and loathed by the bourgeoisie Evita polarized Argentine society Not even her death could put an end to the mixed feelings she aroused during her lifetime and Evita remains till this day a controversial figure Eva Per n A Reference Guide to Her Life and Works captures Evita s eventful life her works and her legacy The volume features a chronology that includes her childhood her acting career her trip to Europe her political activity her illness and her death as well as more recent events that have memorialized her While an introduction offers a brief account of her life a dictionary section lists entries on people places and events related to her A comprehensive bibliography offers a list of works by and about Evita Finally a filmography includes the movies in which Evita appeared and the TV series and films that have been made about her **Listen to Movie Musicals!** James E. Perone,2020-01-13 Exploring musical theater on film for fans of the genre Listen to Movie Musicals focuses on 50 must hear movie musicals featured in the United States *Blue-Collar Broadway* Timothy R. White,2015 Behind the scenes of New York City s Great White Way virtuosos of stagecraft have built the scenery costumes lights and other components of theatrical productions for more than a hundred years But like a good magician who refuses to reveal secrets they have left few clues about their work Blue Collar Broadway recovers the history of those people and the neighborhood in which their undersung labor occurred Timothy R White begins his history of the theater industry with the dispersed pre Broadway era when components such as costumes lights and scenery were built and stored nationwide Subsequently the majority of backstage operations and storage were consolidated in New York City during what is now known as the golden age of musical theater Toward the latter half of the twentieth century decentralization and deindustrialization brought the emergence of nationally distributed regional theaters and performing arts centers The resulting collapse of New York s theater craft economy rocked the theater district leaving abandoned buildings and criminal activity in place of studios and workshops But new technologies ushered in a new age of tourism and business for the area The Broadway we know today is a global destination and a glittering showroom for vetted products Featuring case studies of iconic productions such as Oklahoma 1943 and Evita 1979 and an exploration of the craftwork of radio television and film production around Times Square Blue Collar Broadway tells a rich story of the history of craft and industry in American theater nationwide In addition White examines the role of theater in urban deindustrialization and in the revival of downtowns throughout the Sunbelt *Madonna* J. Randy Taraborrelli,2001-09-27 Madonna Megastar Lover Mother Opportunist Chameleon Role model She s all of these things and more Yet who is she really In Madonna An Intimate

Biography author J Randy Taraborrelli's scrupulously researched and completely balanced unauthorized biography of one of the world's most celebrated entertainers the reader is allowed to draw his or her own conclusions. Indeed, the portrait bestselling author Taraborrelli paints here is of a truly complex woman, one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart. It is significant that *Madonna: An Intimate Biography* is the first such book written about the star in over a decade because in the past ten years the ever-changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married mother. Amazingly, as she launches her first worldwide tour in eight years, she is now at forty something, enjoying one of the most successful periods of her groundbreaking career. Whereas other books about Madonna have been based on previously published material, *Madonna: An Intimate Biography* is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time, including close friends, business associates, and even family members. Since Taraborrelli interviewed the star herself early in her career, he is now able to draw from such firsthand experiences to place her success story in perspective and provide new, stunning insights. The true Madonna as presented here is not merely a sensation-seeking tabloid vixen but a flesh and blood woman with human foibles and weaknesses as well as great strengths and ambitions. For the first time, the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement; how Warren Beatty broke her heart and why the two never wed; how she and John Kennedy Jr. became romantically involved; his mother's reaction to the prospect of Madonna as a daughter-in-law and why it could never have worked out; the truth of her relationships with the fathers of her two children; and how, as a loving and attentive mother, she has evolved into a surprisingly different woman and what the future holds for her. *Madonna: An Intimate Biography* is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular, trendsetting figures of our time. Full of amazing disclosures about her private life and public career, New York Times bestselling author J Randy Taraborrelli's latest work reveals Madonna in a new and surprisingly inspiring way. Not only a feast for fans, this book is great entertainment for anyone who enjoys a remarkable story stirringly told.
