Making Of The Messiah Christianity And Resentment:

Making of the Messiah Robert Sheaffer, 1991-11-01 This book presents a picture of the origins of Christianity very different from anything that has been published before writes Robert Sheaffer in the Introduction to The Making of the Messiah Many Christians will find this book as offensive as Moslem fanatics did Salman Rushdie s blasphemous Satanic Verses Sheaffer has provided fascinating reading for all those not afraid to question the jargon and inconsistencies that lie behind the accepted truths of Christianity In his attempt to dispel the myths surrounding the life of Jesus Sheaffer presents Christianity with one of its greatest challenges His approach differs from the conventional works of freethinkers by suggesting a radically different picture of Christianity s rise from to borrow Friedrich Nietzsche s phrase the spirit of resentment Sheaffer tells why Christianity could develop only as it did as it emerged from the envious anger of the lower classes against the power and wealth of Rome He shows how early Christian writers altered historical facts to make the new religion sell to potential converts What emerges is a scheme of deliberate distortion and deceit that could grace a mystery novel leaving in its wake a trail of highly suspicious and incriminating evidence The Making of the Messiah presents a compelling argument that Jesus was never crucified by the Romans but slain and hanged from a tree under Jewish law as a heretic and blasphemer It shows that behind the Virgin birth story lurks a darker tale of Mary the adulteress whose divine child was rejected by her husband Joseph as a bastard And finally it traces the accounts of Jesus Resurrection to reveal that the earliest gospel that of Mark contains no actual sightings of a risen Jesus With time however Christianity s claims of a Resurrection gradually evolved progressing from vision to established fact the result of purposeful embellishment and mythologizing Working from the same ancient sources that biblical scholars use some of the sources having only recently come to light Sheaffer pieces the evidence together in a new way The picture that emerges will generate much controversy This unconventional perspective on some of the basic tenets of Christianity radically impacts biblical criticism in a manner that humanists and freethinkers will wholeheartedly applaud

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by

including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Forthcoming Books Rose Arny,1992 **Elenchus of Biblica (1991)** Robert North,1994 *A Christian Theology of the Cross* Allen George,2010-07-29 A CHRISTIAN THEOLOGY OF THE CROSS presents three basic standards for discussing the subject and object God It underscores the connection between Gods approval of Abels offering and the establishment of the priesthood and names Genesis 4 7 as the foundation of the principal doctrines of Christian Salvation It stresses the importance of Christian freedom and argues that the doctrine of existentialism is rooted in Genesis 4 9b This book speaks directly to those who are spiritually hungry and thirsty for the Word of God in the twenty first century The reader will discover that the author is an analytical thinker George asserts that the ambiguities of Abels offering dont negate the concept of his priesthood He champions the belief that the doctrine of the universality of salvation is a crucial divide between Judaism and Christianity He insists that the Gospel demands that Christians renounce their hate and intolerance *An Introduction to the Critical Study and Knowledge of the Holy Scriptures* Thomas Hartwell Horne,1835 *Choice* ,1991 **An Introduction to the Critical Study and the Knowledge of the Holy Scriptures** Thomas Hartwell Horne,1847 *American Bookseller* ,1991 **Cataloging Bulletin** Hennepin County Library.
