**The Reprobates** Chuck Lewis,2005-04-18 Get ready to ride the range of humor in one of the most entertaining westerns to come down the trail in quite a spell The year is 1888 and Johnny Hightree and his cousin Asa Maynard are two old ex buffalo hunters and frontiersmen who have temporarily settled in the small town of Ralston Kansas not far from Dodge City They are both serious elbow benders and seem to be in a constant state of semi inebriation Johnny however has endeared himself to the town s residents with his far fetched windies and good nature thereby getting himself elected mayor When a fatal shooting occurs in town with several witnesses including Johnny the town council curiously reduces Johnny s position from mayor to town marshal Johnny then chooses his half pickled cousin Asa to be his deputy and that s when the future of Ralston Kansas gets changed forever With an amusing rambling style Johnny Hightree relates the progress of solving a murder that is not as simple as it seemed in the beginning The outlandish stories he tosses in along the way are funny earthy and downright priceless told at a pace that ends just in time
