Making Disciples in a World Parish Paul W. Chilcote, 2011-04-01 In this collection of inspirational and challenging essays Methodists from around the globe reflect on the practice of disciple making in their own contexts From their own perspectives they address questions like What are the challenges you face What biblical images shape your missional practice What examples of Christian authenticity inspire your communities What gifts related to mission and evangelism do you offer the global community of faith Churches on every continent have their own stories of struggle and faithfulness Indeed each distinct community within any given region has a voice of its own that deserves to be heard The voices included in this volume belong to women and men alike Likewise they resound with the accents of Africa and Asia Latin and North America Europe and Oceania Each voice is distinct but all articulate a vision of faith made effective through love In a world characterized variously by poverty and violence as well as prosperity and peace the church must reclaim its central mission to make disciples of Jesus Christ In their effort to articulate a vision of mission and evangelism the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another To be the ambassadors of the gospel we need each other and we need to pay attention to the voices that sound different from our own This volume takes a large step in that vital direction

Christian Witness in a Postmodern World Harry Lee Poe, 2001 A professor of religion asserts that the difficulties faced in communicating the gospel are as much an opportunity as they are a challenge This book analyzes contemporary trends in American cultural life related to what those who don't attend church know about Christianity and how they think about questions of ultimate meaning *Discipleship in the Postmodern Age* Dan Kohn, 2010-02-20 There is a missing link in most churches today There is a significant gap between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry The reverse is also true when members are trained as active disciples the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today's disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church *Adventist Review*, 2006 *Books in Print Supplement*, 2002

General Assembly, 2007 *The Priority of Making Disciples* Danny Clymer, 2020-08-18 Those in the church and ministry are familiar with the Great Commission the call to go forth and make disciples However for many it isn't that easy in a world increasingly influenced by doubters and distractions Many Christian leaders may talk about it but few really do it Making disciples isn't a complicated program but a simple plan that comes only from Jesus Now a diverse group of pastors representing urban and rural communities secular and Christian areas as well as diverse multicultural backgrounds and all known for successfully making new disciples have gathered these sermons to encourage others to be disciple makers too Discover How Jesus practiced the Great Commission before He ever preached it Why discipleship begins with a whole life understanding of worship When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on

one settings in the week following the preaching of the sermon A final appendix providing a self evaluation tool that helps each person being disciplined to evaluate the progress they are making in their walk with Christ

Get Ready, Get Set ... Go Ye!: Emerging Disciples In the Postmodern Era Marsha L. Williams, DMin, MDiv,2015-02-09 We are called to be disciples and once we come into a real relationship with Jesus Christ to share it with others But recently we have drifted away from making disciples focusing instead on other things In this study author Rev Dr Marsha L Williams shows that discipling as the foundational mission of the church outlined by Jesus in the Great Commission is cyclical and intergenerational and that churches must maintain a current and vibrant message for every new generation As part of her doctoral thesis Williams interviewed recent graduates from the Emmanuel Baptist Church of Tinton Falls New Jersey to update church practices that attract and keep the postmodern generation by evaluating the effectiveness of discipling programs She now considers which practices were fruitful and why explores alternative methods for discipling generation next and develops new activities and relationships to grow an intergenerational link resulting in the disciplined becoming the disciples
