Making A Scene:

Make a Scene Revised and Expanded Edition Jordan Rosenfeld, 2017-07-19 The definitive guide to writing scenes now revised and expanded Scenes are the building blocks for any work of fiction the DNA sequence that makes a novel unputdownable and unforgettable When writers are able to craft effective engaging scenes they can develop a complete cohesive story and a mesmerizing experience for readers Make a Scene Revised and Expanded Edition takes you step by step through the elements of strong scene construction and demonstrates how the essential aspects of a compelling story including character plot and dramatic tension function within the framework of individual scenes to give momentum to the whole narrative You'll learn how to Craft an opening scene that hooks readers and foreshadows conflict Develop various scene types from contemplative to suspenseful to flashback that are distinct and purposeful Establish characters intentions within a scene that drive the plot Transition into new scenes by clearly establishing details of setting character and point of view Create resonating climactic and final scenes that stay with readers long after they've finished your story The revised and expanded edition includes brand new examples an increased focus on advancing plot and character development and the same knowledge and clarity that writers have come to expect from Jordan Rosenfeld Make a Scene is an essential part of any novelist's library make sure it's in yours

Making Scenes Iain Davidson, April Nowell, 2021-04-13 Dating back to at least 50 000 years ago rock art is one of the oldest forms of human symbolic expression Geographically it spans all the continents on Earth Scenes are common in some rock art and recent work suggests that there are some hints of expression that looks like some of the conventions of western scenic art In this unique volume examining the nature of scenes in rock art researchers examine what defines a scene what are the necessary elements of a scene and what can the evolutionary history tell us about storytelling sequential memory and cognitive evolution among ancient and living cultures
