**Better Conversations** Jim Knight,2015-10-01 Check out The Better Conversations trailer <https://youtu.be/y3FrWTXC8Uw> I thought I knew how to have a

conversation I've had millions of them. Some were good, others not so much, so. But I want to have GREAT conversations and Jim Knight has taught me how. The proof is in better conversations are possible and the results are worth the investment.

DOUGLAS FISHER Coauthor of *Rigorous Reading* and *Unstoppable Learning*. Because conversation is the lifeblood of any school, you don't want this book, you need this book. Why this confident claim? Think about how many times you've walked away from school conversations sensing they could be more productive but at a loss for how to improve them. Enter instructional coaching expert Jim Knight who in *Better Conversations* honors our capacity for improving our schools by improving our communication. Asserting that our schools are only as good as the conversations within them, Jim shows us how to adopt the habits essential to transforming the quality of our dialogues. As coaches, as administrators, as teachers, it's time to thrive. Learn how to coach ourselves and each other to become better communicators. Listen with empathy. Find common ground. Build trust. Our students' academic, social, and emotional growth depends upon our doing this hard work. It's time to roll up our sleeves, open our minds, and dare to change for the better of the students we serve. You can get started now with *Better Conversations* and the accompanying *Reflection Guide to Better Conversations*. **Facilitating with Ease!** Ingrid Bens, 2017-10-18. The definitive guide to running productive meetings, *Facilitating With Ease* has become the go-to handbook for those who lead meetings, training, and other business gatherings. Packed with information, effective practices, and invaluable advice, this book is the comprehensive handbook for anyone who believes meetings should be productive, relevant, and as short as possible. Dozens of exercises, surveys, and checklists will help transform anyone into a skilled facilitator, and clear, actionable guidance makes implementation a breeze. This new fourth edition includes a new chapter on questioning, plus new material surrounding diversity, globalization, technology, feedback, distance teams, difficult executives, diverse locations, personal growth, meeting management, and much more. With in-depth expert guidance from planning to closing, this book provides facilitators with an invaluable resource for learning or training. Before you run another meeting, discover the practices, processes, and techniques that turn you from a referee to an effective facilitator. This book provides a wealth of tools and insights that you can put into action today. Run productive meetings that get real results. Keep discussions on track and facilitate the exchange of ideas. Resolve conflict and deal with difficult individuals. Train leaders and others to facilitate effectively. Poorly run meetings are an interruption in the day and accomplish little other than putting everyone behind in their real work. On the other hand, a meeting run by an effective facilitator makes everyone's job easier, decisions get made, strategies are improved, answers are given, and new ideas bubble to the surface. A productive meeting makes everyone happy and results in real benefits that spread throughout the organization. *Facilitating With Ease* is the skill-building guide to running great meetings with confidence and results. *Digital Technologies in Early Childhood Art* Mona Sakr, 2017-01-12. Through art, children make sense of their experiences and the world around them. Drawing, painting, collage, and modeling are open-ended and playful processes through which children engage in physical exploration, aesthetic decision-making, identity

construction and social understanding As digital technologies become increasingly prevalent in the lives of young children there is a pressing need to understand how digital technologies shape important experiences in early childhood including early childhood art Mona Sakr shows the need to consider how particular dimensions of the art making process are changed by the use of digital technologies and what can be done by parents practitioners and designers to enable children to adopt playful and creative practices in their interactions with digital technologies Incorporating different theoretical perspectives including social semiotics and posthumanism and drawing on various research studies this book highlights how children engage with different facets of art making with digital technologies including remix and mash up distributed ownership imagined audiences and changed sensory and social interactions
