## **Making Of A Cybertariat:**

**The Making of a Cybertariat** Ursula Huws,2003-07 A new global labour force is being created working in call centres homes and electronic sweatshops New technologies are also transforming daily life This book presents a coherent conceptual framework within which these developments can be understood *Labor in the Global Digital Economy* Ursula

Huws,2014-12-05 For every person who reads this text on the printed page many more will read it on a computer screen or mobile device It s a situation that we increasingly take for granted in our digital era and while it is indicative of the novelty of twenty first century capitalism it is also the key to understanding its driving force the relentless impulse to commodify our lives in every aspect Ursula Huws ties together disparate economic cultural and political phenomena of the last few decades to form a provocative narrative about the shape of the global capitalist economy at present She examines the way that advanced information and communications technology has opened up new fields of capital accumulation in culture and the arts in the privatization of public services and in the commodification of human sociality by way of mobile devices and social networking These trends are in turn accompanied by the dramatic restructuring of work arrangements opening the way for new contradictions and new forms of labor solidarity and struggle around the planet *Labor in the Global Digital Economy* is a forceful critique of our dizzying contemporary moment one that goes beyond notions of mere connectedness or free flowing information to illuminate the entrenched mechanisms of exploitation and control at the core of capitalism *The Play Ethic*

Pat Kane,2011-08-19 Fizzes with intellectual curiosity Kane writes engagingly and with a humility difficult to find among idea entrepreneurs James Harkin Independent We all think we know what play is Play is what we do as children what we do outside of work what we do for no other reason than for pleasure But this is only half of the truth *The Play Ethic* explores the real meaning of play and shows how a more playful society would revolutionize and liberate our daily lives Using wide and varied sources from the Enlightenment to Eminem Socrates to Chaos theory Kierkegaard to Karaoke *The Play Ethic* shows how play is fundamental to both society and to the individual and how the work ethic that has dominated the last three centuries is ill equipped to deal with the modern world With verve wit and intelligence Pat Kane takes us on a tour of the playful world arguing that without it business the arts politics education even our family and spiritual lives are fundamentally impoverished *The Play Ethic* seeks to change the way you look at your daily life how you interact with others how you view the world It is a guidebook to new exciting and unsettling times Shocking controversial yet magnificently argued *The Play Ethic* is a book no one who works or has ever worked can afford to be without Kane s Manifesto for a Different Way of Living is a brave attempt to inject a little playfulness into the dull grind of the working stiff Iain Finlayson *The Times*

*Historical-Critical Dictionary of Marxism* Wolfgang Fritz Haug,Friggera Haug,Peter Jehle,Wolfgang Küttler,2023-11-27 The Historical Critical Dictionary of Marxism HCDM is a comprehensive Marxist lexicon which in the 9 German language volumes concluded so far has involved over 800 scholars from around the globe Conceived by philosopher Wolfgang Fritz Haug in
