

**REPORTING
FOR DUTY**

Reporting For Duty

CH Cherryholmes

Reporting For Duty:

Reporting for Duty Andrew Mills, 2022-12-13 This memoir describes the things the author has done in his life to promote justice and peace in America's foreign and domestic policies. But it is more than a memoir; it also includes background for and analysis of the peace and justice issues involved. The author says, "I love my country deeply and so I want it to live up to its promise of brotherhood, truth, and fairness and to commit to being a peaceful neighbor among the community of nations." As detailed in the book, the author's life has been one adventure after another as he undertook actions for justice and peace, for example, when he participated in part of the civil rights march from Selma to Montgomery, Alabama, in 1965 and when he was in a group that was kidnapped by the Contras in Costa Rica in 1985. The book emphasizes that peace work doesn't stop with peace conferences or praying for peace. It is facing the hard truths of the issues and finding the most effective ways to make peace. His primary intent in writing the book is to encourage people everywhere to invest themselves in justice and peace initiatives in their own countries. *Information Guide for Army Personnel Reporting for Duty in Washington and Vicinity*, 1962

Report for Duty Forrest A. Thornton, 2016-08-31 A non-commissioned officer in the 107th Ordnance Medium Maintenance Company during World War II, Sgt. Forrest A. Thornton personally experienced four major battles: Northern France, July 1944 to September 1944; Rhineland, September 1944 to March 1945; Ardennes, December 1944 to January 1945; and Central Europe, March 1945 to May 1945. In this down-to-earth journal of memoirs and reflections, the homegrown West Virginia native writes candidly of his pre-war romance, enlistment in the United States Army, voyage overseas on the Troup Ship RMS Queen Elizabeth, and wartime ventures. Committed to his vibrant faith, undaunted patriotism, and patiently waiting fiancé, Thornton stayed the course through it all and now engagingly shares his story. His memories and thoughts include submarine danger on the North Atlantic Ocean, German bombers, and the Luftwaffe's pilotless flying bombs. Narrow escape near Bonn, Germany, Axis Sally, 1942. The atomic bomb. Your own courage and gratitude will become freshly renewed as you vicariously take this journey with him. *Report for Duty*
