Redmonds Shot:

King of the Moonshiners Bruce E. Stewart, 2008 Lewis R Redmond was an archetypal moonshiner On March 1 1876 the twenty one year old North Carolinian shot and killed a U S deputy marshal who tried to arrest him on charges of illicit distilling He then fled to Pickens County South Carolina where within three years he gained national notoriety as the King of the Moonshiners More than any other individual moonshiner in southern Appalachia Redmond captured the imagination of middle class Americans Then as now media coverage had a lot to do with his reputation

People of the State of Illinois V. Hooper ,1994 **Jaffee V. Redmond** ,1994 **Full Spectrum** Jay Greenberg, 2017-02-05 Full Spectrum covers the Philadelphia Flyers like no other sports franchise has ever been covered before The Flyers are a unique hockey organization in a special sports town and Full Spectrum gives you the whole story on the ice in the dressing room and behind the scenes From the campaign to gain an NHL franchise in 1965 through the building of a hard hitting Stanley Cup championship roster that performed at its best after Kate Smith s thundering rendition of God Bless America from the tragic loss of goaltending great Pelle Lindbergh to the controversy strewn signing of mega star Eric Lindros from the Leach Barber Clarke line to the Legion of Doom Full Spectrum sets new standards for contemporary sports history

The Highwayman Matt Manochio, 2017-07-10 A murdered child predator surfaces in a New Jersey bog Authorities in Pennsylvania and Ohio find more dead deviants days later as a vigilante weaves a trail of orchestrated slaughter through states along Route 80 to California FBI Special Agents Patti Moreland and Nick Redmond track Internet predators in Chicago After a failed attempt on Redmond s life the FBI thinks one of his past collars pulled the trigger but Moreland a child abuse survivor believes otherwise The young agent hacks his laptop and decrypts a sexually charged chat transcript between Redmond and a teenage girl logged hours before his shooting Moreland learns of the murders in other states and sees a connection to her partner She can t fathom Redmond being like one of the men who scarred her life and knows of only one way to disprove it find the killer

Heroes of Hockeytown Paul Harris, 2002 The Americans at Normandy John C. McManus, 2013-05-28 In The Americans at D Day the first volume of this series John C McManus showed us the American experience in Operation Overlord Now in this succeeding volume he does the same for the Battle of Normandy as a whole Never before has the American involvement in Normandy been examined so thoroughly or exclusively as in The Americans at Normandy For D Day was only one part of the battle and victory came from weeks of sustained effort and sacrifices made by Allied soldiers Presented here is the American experience during that summer of 1944 from the aftermath of D Day to the slaughter of the Falaise Gap from the courageous famed figures of Bradley Patton and Lightnin Joe Collins to the lesser known privates who toiled in torturous conditions for their country What was this battle really like for these men What drove them to fight against all sense and despite all obstacles How and why did they triumph Reminiscent of Cornelius Ryan s The Longest Day The Americans at Normandy takes readers into the minds of the best American strategists into the hearts of the infantry into hell

on earth Engrossing lightning quick and filled with real human sorrow and elation The Americans at Normandy honors those Americans who lost their lives in foreign fields and those who survived Here is their story finally told with the depth pathos and historical perspective it deserves At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Irish Pedigrees** John O'Hart,1892 [A Deranged History of Alcohol in Human Society](#) AJ Crown,2021-02-11 How much do you know about booze Not just those unusual craft beers with odd names but the real history of alcohol It s a wild world filled with pirates bootleggers prohibition agents writers who never turn down a cocktail drunk monks and so much more Told from a humorous perspective this book helps to separate the lore from the facts It s a fun and historical look at the history of alcohol and some of the many peculiar people who played a role If you ve ever wanted to have a bevy of booze related stories to toss out to friends or strangers while sipping on a drink at a bar or party well you re in luck Inside these pages you ll find a wealth of weird and interesting information Colorfully written the book covers several periods in time when people drank way too much alcohol and did some rather strange things Have you ever heard of the man who sold alcohol to most of Congress during Prohibition Do you know about the illegal alcohol operation on the isle of Inishmurray Have you heard about the weird antics and drinking games of the Song Dynasty poet Shi Manqing Got an inkling about why pirates were reported to drink so much You ll find out all of this information and more when you grab a copy of this book and take a jaunt through history This book spans several periods of history to help give you a better understanding of just how pervasive alcohol has been throughout humanity You ll learn more about the origins of alcohol in ancient China and how it was used as medicine You ll learn about the moonshiners from the American South co written by Maxim Sorokopud the pirates who controlled the rum trade in the 1700s and just how important alcohol was during the Black Plague

The Legend of Lyon Redmond Julie Anne Long,2015-09-29 Bound by centuries of bad blood England s two most powerful families maintain a veneer of civility until the heir to the staggering Redmond fortune disappears reviving rumors of an ancient curse a Redmond and an Eversea are destined to fall disastrously in love once per generation An Enduring Legend Rumor has it she broke Lyon Redmond s heart But while many a man has since wooed the dazzling Olivia Eversea none has ever won her which is why jaws drop when she suddenly accepts a viscount s proposal Now London waits with bated breath for the wedding of a decade and wagers on the return of an heir An Eternal Love It was instant and irresistible forbidden and unforgettable And Lyon now a driven dangerous infinitely devastating man decides it s time for a reckoning As the day of her wedding races toward them Lyon and Olivia will decide whether their love is a curse destined to tear their families apart or the stuff of which legends are made *Confidentiality and Its Discontents* Paul W. Mosher,Jeffrey Berman,2015-07-01 Freud promised his patients absolute confidentiality regardless of what they revealed but privacy in psychotherapy began to erode a half century ago Psychotherapists now seem to serve as double agents with a dual and often conflicting allegiance to patient and society Some therapists even go so far as to issue Miranda type warnings advising patients that what they say in

therapy may be used against them Confidentiality and Its Discontents explores the human stories arising from this loss of confidentiality in psychotherapy Addressing different types of psychotherapy breaches Mosher and Berman begin with the the story of novelist Philip Roth who was horrified when he learned that his psychoanalyst had written a thinly veiled case study about him Other breaches of privacy occur when the so called duty to protect compels a therapist to break confidentiality by contacting the police Every psychotherapist has heard about Tarasoff but few know the details of this story of fatal attraction Nor are most readers familiar with the Jaffee case which established psychotherapist patient privilege in the federal courts Similarly the story of Robert Bierenbaum a New York surgeon who was brought to justice fifteen years after he brutally murdered his wife reveals how privileged communication became established in a state court Meanwhile the story of New York Chief Judge Sol Wachtler convicted of harassing a former lover and her daughter shows how the fear of the loss of confidentiality may prevent a person from seeking treatment with potentially disastrous results While affirming the importance of the psychotherapist patient privilege Confidentiality and Its Discontents focuses on both the inner and outer stories of the characters involved in noteworthy psychotherapy breaches and the ways in which psychiatry and the law can complement but sometimes clash with each other *Goldom* ,1929 *John Redmond's Last Years* Stephen Lucius Gwynn,1919 Redmond's Vindication Robert O'Loughran,1919 **An Olive Branch in Ireland** William O'Brien,1910 **Rupert Redmond. A Tale of England, Ireland, and America** Walter Sims Southwell,1875 **The Irish Militia Officer** Thomas Acres Ogle,1873 *The Entwined Lives of Miss Gabrielle Austin, Daughter of the Late Rev. Ellis C. Austin, and of Redmond, the Outlaw, Leader of the North Carolina "Moonshiners"* Edward B. Crittenden,1886 **The Argosy** ,1921 Palmers' Index to the Times Newspaper ,1911

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Redmonds Shot**

In a global inundated with displays and the cacophony of fast conversation, the profound energy and emotional resonance of verbal beauty often diminish into obscurity, eclipsed by the constant barrage of sound and distractions. Yet, located within the lyrical pages of **Redmonds Shot**, a charming perform of fictional beauty that pulses with organic emotions, lies an unforgettable journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that interesting opus manuals readers on an emotional odyssey, gently exposing the latent possible and profound affect stuck within the complex internet of language. Within the heart-wrenching expanse with this evocative examination, we can embark upon an introspective exploration of the book is central themes, dissect its charming publishing fashion, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
