## Reexamining Conscience:

**Reexamining Conscience** John Carmody, 1982      **The Voice of Jesus** Gordon T. Smith, 2018-10-26 Building on the rich spiritual tradition that spans the diversity of history and theology from Ignatius Loyola to John Wesley to Jonathan Edwards Gordon T Smith helps open your ears and heart to the depths of the inner witness of the Spirit By learning to attend to the Spirit Smith urges you will learn to hear and heed the voice of Jesus in everyday life      **Re-examining Contract and Unjust Enrichment** Paula Giliker, 2007-06-30 This collection of essays addresses some of the fundamental questions facing the law of contract and of unjust enrichment in the twenty first century from a comparative perspective Leading academics from Canada and the United Kingdom analyse the nature and development of the principles of unjust enrichment their relationship with contract and fiduciary obligations and their impact upon traditional contractual doctrines such as mistake undue influence frustration and the assessment of damages The text provides an insightful contemporary and provocative examination of this fast developing area of law      *Hearing God in Conversation* Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others *Hearing God in Conversation* offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks      **In the Path of the Masters** Denise Lardner Carmody, John Tully Carmody, 2015-05-20 Reflecting on the legacy of four great religious figures this book places each in their historical context offers glimpses of what they were like personally assesses how they saved their followers from confusion and traces each religious tradition after its founder's death      [The Westminster Dictionary of Christian Spirituality](#) Gordon S. Wakefield, 1983-01-01 Ecumenical in character this comprehensive and authoritative dictionary is the achievement of scholars of international standing Anglicans Roman Catholics Baptists Presbyterians Quakers Methodists Lutherans and others The articles are nondogmatic and scholarly The main emphasis is thematic the

**Re-examining the Holocaust Through Literature** Aukje Kluge,Benn E. Williams,2009 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context
