thrive in a world of vanity without having a moment to brood on the afterlife I believe this temporary space would be a peaceful place to love and live if the world could observe a quiet moment to reflect on where we were coming from why we are where we are and where we look forward to being The urge to write Reflections came from deep cogitation on self horrendous and happy happenings around This is intending to help humans to realize the links in life the way out of universal and conventional pains the reminder of good old memories and words of hope to stay happy This golden collection serves as a wake up call for all and sundry It enjoins readers to love and have the right perception towards fellow humans regardless of their gender race ethnicity nationality and personal beliefs Read reflect and be inspired

Reflections of Light C. R. Jones,2012-08-01 This book is a collection of Prose Poems and Verses written from the very depths of the human soul heart and mind I wanted to share a very unique expression of poetry art to the world The words written within this book challenge the barrier itself that exists between words and spirit We may just find that the barrier we had imagined to exist is simply prolific honesty

Reflections on My Life Peter C. Rubin,2008-12 Peter Rubin s Reflections on My Life is a culmination of thirty years of poetry written intermittently through nearly every significant occurrence in the author s life Starting with Peter s very first poem Morning in Amagansett Reflections contains seventy two poems that each record a moment of Peter Rubin s life reflecting times of serenity struggles and triumphs These poems will take the reader on a roller coaster through life that is almost certain to bring smiles laughter and tears

Memories and Reflections Parker West,2007-06 The book is a book of dreams that reflect the desires of a boy growing up in Texas It is a fantasy story The author wanted the story to be different than the normal boy and girl story It mixes time place incident and reality into a stream of consciousness It is a story of a boy and girl that replicates the memories dreams and times between 1924 and the present History can be written in many forms The larger scope of history is written with

larger than life characters in larger than life setting of peace war love honor devotion accomplishments bravery and all the other elements that make history exciting This story uses some of these characteristics in the story but it draws from dreams and fantasy as well Growing up and living in America between 1924 and 2006 had to be one of the luckiest things that could have happened to any boy or girl despite the trials and tribulations of the times Sometimes it is easier to grasp the times from a mini history because it is at a more realistic level despite the dream and fantasy character of the story *Reflections of the Heart* Rachel Monaco,1997-05-01
