Same Train Satb Choir:

Choral Music by African-American Composers, 1996-04-09 Lists and describes approximately 1 600 published and unpublished choral works by more than 100 African American composers and arrangers 600 more works than the first edition Many of these works representing all styles from simple four part settings to avant garde pieces have not been performed before because of the difficulty in locating them White s bibliography provides a useful tool for busy conductors wishing to perform music by African American composers and serves as an incentive to choral conductors to program little known composers as well as unknown works by established musicians Arrangement is by composer Entries list number of pages voicing and solo requirements vocal ranges degree of difficulty a cappella or type of accompaniment publishers and catalog number Also included are a title index a listing of selected collections of Negro spirituals biographical sketches of African American composers and arrangers and three appendixes selected source readings selected discography and addresses of publishers and composers

Choral Arrangements of the African-American Spirituals Patricia J. Trice, 1998-02-12 Although the choral arrangements of the African American spirituals constitute the largest group of folk song arrangements in western literature they have received little scholarly attention This book provides the needed historical and stylistic information about the spirituals and the arrangements It traces the history and cultural roots of the genre through its inception and delineates the African and European characteristics common to the original folk songs and arrangements Ensembles that have perpetuated the growth of the spiritual arrangements from Fisk Jubilee Singers of the 1870s through those currently active are chronicled as well Musicians choral directors and scholars will welcome this first complete text on the African American spiritual genre Annotated listings of titles provide information choral directors need to make ensemble appropriate performance choices Arrangements indexed by title arranger and subject complement the accompanying biographies and repertoire information Well organized and thoroughly researched this text is a valuable addition to music choral multicultural and African American libraries

Choral Music by Afro-American Composers, 1981

Camerata Arthur Wenk, 2014-07-08 *Camerata* A Guide to Organizing and Directing Small Choruses distinguishes itself from all other works on choral conducting by starting at the very beginning the conception and purpose of an ensemble and continuing through all other aspects of rehearsing and organizing a chorus to performance and reception Wenk offers basic information on getting started recruiting singers planning programs rehearsing music publicizing concerts sharing responsibilities financing the operation knowing the law and finally getting better He also offers detailed suggestions for creating an executive group to manage the choir as well ideas for repertoire and programming In addition to a step by step guide *Camerata* provides a wealth of supplementary material including a prospectus a statement of goals and means programs organizational documents a singer s guide documents for organizing a folksong competition a list of websites for publishers and choral federations and an annotated bibliography of works on choral conducting Wenk also includes more

than twenty original Christmas carols and carol arrangements for performance by your small chorus This work will be a valuable resource for anyone interested in starting a new choral organization or improving an existing ensemble Although the book focuses on chamber choirs Wenk s practical suggestions based on more than forty years of experience as a choral conductor can be easily applied to any choral organization
