**The Green Bag** ,1920      **The Federal Impeachment Process** Michael J. Gerhardt,2019-04-12 As President Trump and Congressional Democrats battle over the findings of the Mueller report talk of impeachment is in the air But what are the grounds for impeaching a sitting president Who is subject to impeachment Is impeachment effective as a safeguard against presidential misconduct What challenges does today s highly partisan political climate pose to the impeachment process and what if any meaningful alternatives are there for handling presidential misconduct For more than twenty years The Federal Impeachment Process has served as the most complete analysis of the constitutional and legal issues raised in every impeachment proceeding in American history Impeachment Michael J Gerhardt shows is an inherently political process designed to expose and remedy political crimes serious breaches of duty or injuries to the Republic Subject neither to judicial review nor to presidential veto it is a unique congressional power that involves both political and constitutional considerations including the gravity of the offense charged the harm to the constitutional order and the link between an official s misconduct and duties For this third edition Gerhardt updates the book to cover cases since President Clinton as well as recent scholarly debates He discusses the issues arising from the possible impeachment of Donald Trump including whether a sitting president may be investigated prosecuted and convicted for criminal misconduct or whether impeachment and conviction in Congress is the only way to sanction a sitting president what the Emoluments Clause means and whether it might provide the basis for the removal of the president whether gross incompetence may serve as the basis for impeachment and the extent to which federal conflicts of interest laws apply to the president and other high ranking officials Significantly updated this book will remain the standard work on the federal impeachment process for years to come      **A Standard Dictionary of the English Language** Isaac Kaufman Funk,1894      *Family History Compiled by Lucy Henderson Horton ...* Lucy Henderson Horton,1922      **The Dictionary of Biographical Reference Containing One Hundred Thousand Names.
